## DEAR PARENTS:

Many thanks to the parents and families who gave us [Google](#) and [Facebook](#) reviews, we really appreciate you taking the time to do this and giving us awesome ratings!

February is a very busy month for us. We have a lot happening this month:

**February 18<sup>th</sup> & 19<sup>th</sup> – *School Picture Days*:** We have a professional photographer who will be coming in on these days to take class photos and individual pictures of the students. Children going to kindergarten this September 2026 will also be getting their graduation pictures (in a gown and graduation cap) taken at this time.

**February 12<sup>th</sup> & 13<sup>th</sup>:**

**Valentine's Day/Friendship Day:** Children will be distributing cards to their classmates to celebrate this special day. We will be handing them out on these dates. If desired, you may also send sealed treats in little baggies for each friend. Please note that it is **NOT** mandatory for children to participate; this is totally optional. Please have your child to only fill out the "From" part of the card with their own name. Please ask us for the number of children in your child's class.

**February 16<sup>th</sup> – *Family Day*:** School Closed

February 17<sup>th</sup> – ***Professional Development Day*** (No classes)

**Illness Protocol:** As per the Government of Alberta, it is recommended that symptomatic individuals stay home until they are feeling well, is able to fully participate in all normal school activities and have reached the end of the recommended isolation period (as applicable). This means that your child has been free of fever for 24 hours without the use of fever reducing medication. This is because your child's symptoms caused by other viruses that can be spread to others.

*Also remember to contact us by email or call us to leave a voicemail to let us know; don't forget to mention your child's name and their class time.*
