DEAR FRIENDS!

Happy New Year everyone! I hope that everyone was well rested and ready to return. The teaching staff and I are excited to come back and start the new year.

On behalf of the entire teaching staff, THANK YOU to all the families for the generous holiday gifts greeting cards and well wishes. We truly appreciated your kind gestures.

I would like to thank Ms. Shirley Wong from [Kumon Math and Reading Centre of Calgary - Creekside](#) (located at 12424 Symons Valley Rd NW, Unit 15) for putting together a book drive and donating the books to Preschool 101! I know that the children at the preschool will enjoy learning with these books as we start using them at the preschool in the new year. If you would like to learn more about her [Kumon](#) Centre, please feel free to ask one of our staff.

This month our themes are: the Lunar New Year and Winter; children will be learning about the Lunar New Year (also known as Chinese New Year) and season of snowflakes, snowballs and everything related to SNOW!

Illness Protocol: As per the Government of Alberta, it is recommended that symptomatic individuals stay home until they are feeling well, are able to fully participate in all normal school activities and have reached the end of the recommended isolation period (as applicable) . This means that your child has been free of fever for 24 hours without the use of fever reducing medication. This is because your child's symptoms caused by other viruses that can be spread to others.

Also remember to contact us by email or call us to leave a voicemail to let us know; don't forget to mention your child's name and their class time.
