## DEAR PARENTS:

The last month of preschool is here! Any one ready for summer? Not so fast, we still have one theme left: Father's Day! We are also continuing to get the students in our 4-year-old program ready for kindergarten.

After 2 years, we are resuming our preschool year end ceremony and graduation. Due to the existing preschool masking policy, social distancing practices and fire code safety, only 2 people for each child are allowed to attend this celebration. This celebration will be held at the preschool on Wednesday, June 22<sup>nd</sup>. **All of our students will be attending this event on this day.** An email will be sent to parents regarding the time of day that your child will be scheduled to attend.

On the last 2 days of school - on both June 23<sup>rd</sup> & 24<sup>th</sup>, we will be celebrating "Summer Birthdays" in pajamas with the students whose birthdays are not during the school year. Please let your child's teacher know if you would like to celebrate their birthday with them on that day. Yes, it will also be pajama day on those days too!!

A reminder to all parents that there are still spots available in both the [September 2022 to June 2023 program](#) and [Academic Discovery Summer Camp 2022](#). The deadline for our summer program for the month of July is June 18<sup>th</sup>. The deadline for summer programs in August is July 23<sup>rd</sup>. If we do not have enough children signed up for the weeks with low enrollment, those sessions will be cancelled.

Once again, many thanks to the parents and families who have given us good [Google](#) and [facebook](#) review. We really appreciate you taking the time to do this and giving us awesome ratings! For the parents who have not yet had the opportunity to give us a review on with [Google](#) or [facebook](#), we would really appreciate if you can take a moment out of your busy schedule to give us a rating on the internet.

***Illness Protocol:*** Children 18 and under with only one of the non-core symptoms should still stay home and monitor for 24 hours, but if they improve, testing is not necessary and they can return to normal activities. If they have two or more symptoms, however, they should stay home until the symptoms improve or they test negative for COVID-19. Those with any of the core isolation symptoms" of cough, fever, shortness of breath or loss of taste or smell must still isolate for 10 day or have a negative test result and resolved symptoms to resume activities.

Also remember to contact us by email or call us to leave a voicemail to let us know; don't forget to mention your child's name and their class time.

## THANK YOU FOR YOUR PATIENCE!

We appreciate your cooperation and patience as we continue to do our best to keep our students safe. We were recently paid a visit from Child Care Licensing and Alberta Health Services for inspections and they are satisfied that our preschool continues to comply with Government standards.

### Our Mission

To provide a safe and caring environment where children develop their passion and get excited in learning through play, and staff are empowered, engaged and valued.

### Our Vision

Allowing preschoolers to grow all their areas of development from a balance of self-guided play and teacher instruction.

### Our Philosophy

At Preschool 101, we provide a foundation of learning through play. Preschool 101 embraces and promotes the importance of "Diversity".
