

Jelly Bean Messenger

DEAR FRIENDS!

Dear Preschoolers & Parents,

Happy November!!! The children had so much fun taking part in pumpkin carving and turning them into Jack-o-lanterns during our costume/Halloween Party.

If you had gone trick-or-treating with the children, we would like to remind all parents: **please do not send your child with candy, chocolates or chips for snacks** as they will not be allowed to eat them at the preschool. At Preschool 101 we continue to promote nutrition throughout the school year and we hope that you will also continue to do so at home.

Our themes for the month of November are: **Nutrition** and **Transportation**. In our Nutrition theme, we continue to promote healthy eating and how it affects our bodies. With the Transportation theme, we will learn about the many ways we can get from one place to another. Many children forget that walking is a form of transportation.

We have another guest speaker this month from Save-on-Foods. A pharmacist will be coming to pay us a visit on November 25th. She will be teaching us about the difference between candies & pills, germs, etc.

Finally, have you given us a Facebook or Google review? All our staff members at Preschool 101 work hard every day to ensure that our preschoolers receive the best education possible. I would like to sincerely thank those parents who have already given us great reviews; I would also like to encourage those parents who have not done so to consider given us a review on either our Facebook or Google.

Illness Protocol: As per the Government of Alberta, it is recommended that symptomatic individuals stay home until they are feeling well, are able to fully participate in all normal school activities and have reached the end of the recommended isolation period (as applicable). This means that your child has been free of fever for 24 hours without the use of fever reducing medication. This is because your child's symptoms caused by other viruses that can be spread to others.

Please remember to email the preschool or call and leave a message about your child's absence so that we can notify your child's teacher.

INDOOR SHOE POLICY:

Clean indoor shoes must be worn in the preschool at all times; no matter what the weather or season. **Children play on the floor all the time we do our best to keep the floors clean!** Note that we adhere to all Alberta Health Service requirements.

INDOOR SHOES MUST BE CHANGED INSIDE THE PRESCHOOL. If your child forgets to bring indoor shoes, you must notify our staff.

Thank you for understanding

Our Mission

To provide a safe and caring environment where children develop their passion and get excited in learning through play, and staff are empowered, engaged and valued.

Our Vision

Allowing preschoolers to grow all their areas of development from a balance of self-guided play and teacher instruction.

Our Philosophy

At Preschool 101, we provide a foundation of learning through play. Preschool 101 embraces and promotes the importance of "Diversity".
