DEAR PARENTS:

Many thanks to the parents and families who gave us [Google](#) and [Facebook](#) reviews, we really appreciate you taking the time to do this and giving us awesome ratings!

February is a very busy month for us. We have a lot happening this month:

February 10th & 11th – *School Picture Days*: We have a professional photographer who will be coming in on these days to take class photos and individual pictures of the students. Children going to kindergarten in September will also be getting their graduation pictures taken at this time.

February 13th & 14th:

***Valentine's Day/Friendship Day*:** Children will be distributing cards to their classmates to celebrate this special day. We will be handing them out on these dates. If desired, you may also send sealed treats in little baggies for each friend. Please note that it is **NOT** mandatory for children to participate; this is totally optional. Please have your child to only fill out the "From" part of the card with their own name. Please ask us for the number of children in your child's class.

February 17th – *Family Day*: School Closed

February 21st – In-Class Field Trip: A Visit from the Pharmacist

March 15th – *Registration* will open for both **2025/2026 Preschool Program & 2025 Summer Camp**. More information will be available in our upcoming March newsletter.

Illness Protocol: As per the Government of Alberta, it is recommended that symptomatic individuals stay home until they are feeling well, are able to fully participate in all normal school activities and have reached the end of the recommended isolation period (as applicable). This means that your child has been free of fever for 24 hours without the use of fever reducing medication. This is because your child's symptoms caused by other viruses that can be spread to others.

Also remember to contact us by email or call us to leave a voicemail to let us know; don't forget to mention your child's name and their class time.
