DEAR PARENTS:

The last month of preschool is here! The children have been practicing the songs at preschool for the year end concert and graduation.

The celebration will be held at the preschool this year. Due to the fire code safety sitting capacity of the preschool, only 2 people for each child are allowed to attend this celebration. This celebration will be held at the preschool on Monday, June 16th, 2025. All students will be attending this event on this. An email will be sent to you regarding the time that your child's celebration will be held. Tuesday, June 17th will be a regular class day for those children who usually have classes on a Tuesday.

On the last 2 days of school - on both June 19th & 20th, we will be celebrating "un-Birthdays" in pajamas with the students whose birthdays are not during the school year or did not have a chance to celebrate. Please email me to let me know if you would like us to celebrate your child's birthday with them on one of those days. Yes, it will also be pajama day on both days!!

A reminder to all parents that there are still spots available in both the Academic Discovery Summer Camp 2025 and September 2025 to June 2026 *Preschool Program. The deadline for our summer program for the month of July is Friday, June 27th. Our summer program is perfect to help your children continue to retain what they learned during the school year. Regarding summer camp, if we do not have enough children signed up for camp, due to low enrollment, those sessions will be cancelled. The preschool will be closed for August, but I will still be reachable by email for fall enrollment.

**Your child is eligible for the Alberta Government Affordability Grant for the 2025-2026 Preschool Program.*

Once again, many thanks to the parents and families who have given us good Google and Facebook review. We really appreciate you taking the time to do this and giving us awesome ratings! For the parents who have not yet had the opportunity to give us a review on with Google or Facebook, we would really appreciate if you can take a moment out of your busy schedule to give us a rating on the internet.

Illness Protocol: Children with at least 1 symptom of illness should still stay home and monitor for 24 hours, but if they improve, they can return to normal activities. If they have two or more symptoms, they should stay home until the symptoms improve. Also remember to contact us by email or call us to leave a voicemail to let us know; don't forget to mention your child's name and their class time.
