DEAR PARENTS:

Happy May! I hope that everyone is enjoying the sounds of Spring.

This month's themes are **Mother's Day** and **Animals at the Farm**.

For the upcoming year of 2025/2026 we have again partnered up with "I'm For Kids Team". They are an organization that provides early intervention children who attend preschools. They will be holding pre-assessments for children who are returning next year. The screening day will be taking place at the preschool on Saturday, May 10th, 2025 between 8:30am to 2:30pm. Appointment time slots are limited. If your child is returning in the fall and you would like to have your child assessed, please email us as soon as possible. Note that children must be registered for the upcoming Fall session in order to qualify for an assessment.

Just a reminder to all parents that registration for our September 2025 - June 2026 Preschool Program has already started and we are accepting registrations. 2025 Academic Discovery Summer Camp Registration has also begun. Both sets of Registrations Forms can be found on our preschool website. If you want to keep your child learning over the summer (and still having fun!!), I encourage you to submit your registration at your earliest convenience; before spaces run out!

Field Trips: We will be going on a field trip to Butterfield Acres on Monday, May 26th. This field trip is open to all of our students even if your child usually does not usually attend classes on the day of the trip. Siblings are also welcome to attend this trip.

Important Information regarding our field trips: please take note that as **we do not provide transportation, children must be driven to these field trips by an adult. At least 1 parent or adult is expected to attend with their child.** This is a great opportunity for parents to spend time with their children. There is no cost for our students to participate. For our trip to Butterfield Acres, adults and siblings will need to pay to attend. Field trip forms will be sent home to parents the first week of May.

Year End Celebration and Graduation Concerts: This year our concert will be taking place on Monday, June 16th and Tuesday, June 17th. More information will be provided in our June newsletter. Stay Tuned!

Illness Protocol: *Children 18 and under with only one of the non-core symptoms should still stay home and monitor for 24 hours, but if they improve, they can return to normal activities. If they have two or more symptoms, however, they should stay home until the symptoms improve.*
Also remember to contact us by email or call us to leave a voicemail to let us know; don't forget to mention your child's name and their class time.
