

THE PROTOCOLS OF THE ELDERS OF ZION WAS BANNED IN 1903. *In 1884, a Mademoiselle Justine Glinka, the daughter of a Russian general, was engaged in Paris in gathering political information for the court of Tzar Alexander III. Glinka for the sum of 2,500 francs purchased extraordinary dictated writings from assorted speeches which would later be included in the final compilation of the Protocols of Zion.*

THE SECRET COVENANT PROTOCOLS OF ZION

An illusion it will be so large so vast it will escape their perception. Those who will see it will be thought of as insane.

We will create separate fronts to prevent them from seeing the connection between us. We will behave as if we are not connected to keep the illusion alive...

Our goal will be accomplished one drop at a time so as to never bring suspicion to ourselves. This will also prevent them from seeing the changes as they occur. We will always stand above their relative field of their experience. ***Because we know the secrets of the absolute.***

We will work together always and will be bound by blood and secrecy. Death will come to he who speaks. We will keep their life span-short and their minds weak while pretending to do the opposite. We will use our knowledge of science and technology in subtle ways so that they will never see what is happening.

"We will use soft metals aging accelerator drugs and sedatives in food and water, also in the air. They will be blanketed in poison every where they turn. The Soft metals will cause them to loose their minds. We will promise to find a cure from our many fronts. Yet we will feed them more poison. The poisons will be absorbed through their skin and mouths. They will destroy their minds and reproductive systems. From all of this their children will be born dead, and we will conceal this information.

The poisons will be hidden in everything that surrounds them in what they drink, eat, breath and wear. We must be ingenious in dispensing the poisons for they can see far. We will teach that the poisons are good with fun images and musical tones. Those they look up to (*Politicians, Movie Stars and Famous People*) will help. We will enlist them to push our poisons. They will see our products being used in film and will grow accustomed to them and never know their true effect.

When they give birth we will inject poisons into the blood of their children and

convince them it's for their health. We will start early on when their minds are young. We will target their children with what children love most the sweet things. When their teeth decay we will fill their teeth with metal that will destroy their mind and steal their future. When their ability to learn has been affected we will create medicine that will make them sicker and cause other diseases which we will create yet more medicines.

We will render them docile and weak before us by our power. They will grow depressed slowly and obese and when they come to us we will give them more poison. We will focus their attention towards money and material goods so many ***will never connect with their inner self***

We will distract them with fornication external pleasure and games so ***that they may never be one with oneness of it all. Their minds will belong to us and do as we say. fear as our weapon. If they refuse we will find a way to enter technology into their lives and we will use fear as our weapon. We will own both sides. We will always hide our objective to carry out our plan. They will preform the labor force and we shall profit from their toil.***

Our families will never mix with theirs. Our blood must be pure always for it is the way.

We will make them kill each other when it suits us.

We will keep them ***separated from the oneness by dogma and religion.***

We will control all aspects of their lives and tell them what to think and how?

We will guide them kindly and let them think they are guiding themselves. We will finance animosity between them through factions (*Civil Wars*). When light shall shine upon them we will ridicule them or death or what ever suits us.

But if they ever find out that they are our equal we shall perish then. **THIS THEY MUST NEVER KNOW. But if they ever find out that together they can vanquish us THEY WILL TAKE ACTION. They must never find out for if they do we shall have no place to run.** For it will be easy to see who we are. Once the veil has fallen our actions will have revealed who we are. And they shall hunt us down and no person shall give us shelter

This is the secret covenant by which we shall live the rest of our present and future lives.

For this reality will transcend many generations and life spans... This covenant is

sealed by blood our blood. We the ones from heaven to earth came.

This covenant must never ever be known to exist. It must never be written or spoken of, for if it is the consciousness ... it will spawn the fury of the prime creator upon us.

And we shall be cast to the depths from whence we came and remain there until the end of time of infinity.
