

The Life of Moses Trivia Game

Introducing the Life of Moses Trivia Game:

For this game, the class will be split into two teams.

Round 1 will consist of the 50 questions that are listed below. Alternate between teams when asking the questions until all of them have been exhausted. Only 1 member on a team can answer any one question that has been posed. All members on a team should equally participate. Award 1 point for every correct answer.

There will then be Rounds 2 and 3. Each team will be given a piece of paper and something to write with. A member from each team will be chosen to write down the collective responses from their group for those two rounds.

Move the teams far enough apart for this portion of the game so they won't be able to hear each other speak.

In Round 2, each team will list as many of the Ten Plagues as they can think of.

In Round 3, each team will list as many of the Ten Commandments as they can think of.

At the end of the game, collect the papers from each team, count the number of correct responses on each, tally the final scores and declare the winner.

Here are the 50 Questions; Good Luck to both Teams!
