

Turn Review Time Into Game Time

Use the Kidz Rock University Scorecard on the following page along with 20 questions from the lesson you are teaching to turn “Review Time” into “Game Time”.

Assign a point value to each of the 20 review questions.

- 1.) Split your class into 2 teams.
- 2.) Alternate between each team when asking the review questions.
- 3.) When one of the teams answers a question correctly, write that question’s point value in the applicable box.
- 4.) The game is over when all review questions have been exhausted.
The team with the most points wins.
