

PROJECT A.R.K.

ACTS OF RANDOM KINDNESS

Kidz Rock University

J.V., a 13-year-old Boy Scout from Orange County, CA. always chooses to partner with another boy that has Down Syndrome when his troop changes “Patrols” each year. When asked why he chooses that boy since it slows his group down, he answered, “D is great and he's so funny. I really like him because I learn a lot from him! A lot of others don't want him, but I always do! He's just like the rest of us. Why wouldn't I always choose him? He's my friend.”

Jeff R. from Glendale, AZ. passes out Bible Tracts with money tucked inside to the homeless he encounters each day.

Alyssa R. from Oklahoma City, OK. found money on the playground and turned it over to the School Office.

When Kellen M. from Pueblo, Co. paid for an elderly woman's groceries, she said to him, "That's the nicest thing anyone has ever done for me".

Jimmy T. from North Olmstead, OH. made his dad a clay boat for Father's Day.

My wife, Frances R. from Peoria, Az. has begun a Custom Greeting Card Ministry to cheer up those who are going through difficult times.

Michelle B. from Show Low, Az. gave abundantly to a Firefighter Fundraiser outside of her local grocery store.

When I discovered I had a flat tire upon leaving the gym, David C. from Peoria, Az. went into action, helping me to get back on my way.

A BIG "Thank You" to all of those who have taken the time to perform an Act of Random Kindness for another. Keep doing those Good Deeds and be sure to tell us about them!
