DOG DAY**

For Newbie Cat Lovers

How to Take Care of Your Cats

1. Intention

The most important thing is intention. You must have to be able to love them. Don't have a cat if you don't want to take care of them.

4. Choose the type of food

Every cats have different types of food. Some cats are allergic to certain foods. Even when they are sick, they consume different food.

2. Prepare the budget

You will need the budget before planning another. Remember, having a cat also costs money.

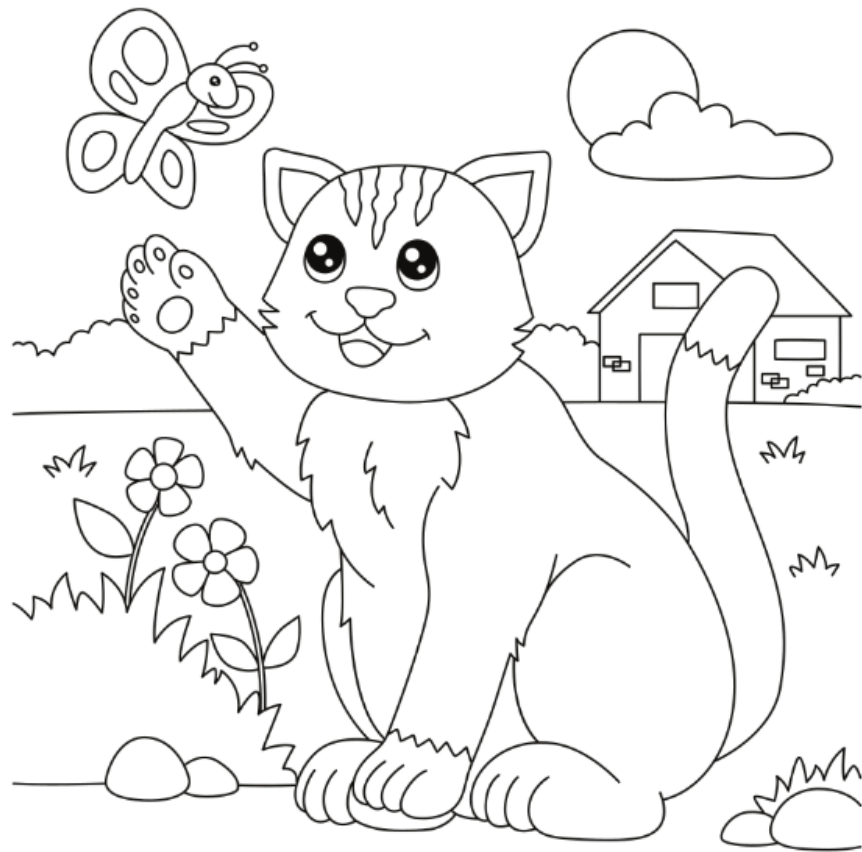

5. Cat Health

Pay attention to their health If they are sick, even if it's mild, take them to the vet. If not, the disease could get worse.

3. Prepare the litter box

Don't let your cat poop and pee carelessly. If you have a kitten, teach your cat to poop and pee in the litter box.
