Idaho students spread love.

I've seen first-hand how much a Valentine's Day card can brighten the day of a senior in a nursing home or a child in the hospital. For three years, Kidz Rock University has created and delivered custom cards to these facilities, and I encourage you to do the same. It's simple, meaningful, and deeply rewarding. Call me (Max) at 623-218-3656—I'd be glad to help you get started.
