POOL GAME FORMAT FOR TUESDAY AND WEDNESDAY

- Pool Games are Tuesday and Wednesday for Both Weeks
- 3 Pool Games...70 Minute Time Limit...Finish the Inning
 - No Protests are allowed. Coaches can agree to adjust an at Bat, or Pitcher as needed, for purposes of Highlighting Individual skills per College Coach Request or Team Coach Request.
 - Some age groups, we have created pool game schedule that combines A,B, and possibly C Teams playing each other. This is done to allow some of the smaller Divisions to play a bigger variety of Teams. This is only for pool games. The Brackets will remain separated by Division.

** Remember...this is an Individual Player's chance to show her skills. This is about their opportunity and future. Lets all work together to give them their best chance*

- Teams Playing in the other Divisions (all Divisions for week two)
- 3 Pool Games...70 Minute Time Limit...Finish the Inning
 - No Protests are allowed. Game will be played in a normal Format. Line-Up Sheets are a formality, and should be followed. Coach can elect to bat all of the players on the Line-Up. There is free substitution.

Remember...pool games are a good chance to get your Players acclimated to the conditions and the best chance to give ALL of your players some playing time. This is a very memorable experience for the girls. Let them remember that they “PLAYED** in the USFA World Series”. Building memories for a lifetime.*

GIFT EXCHANGE

- **Bracket Games Begin on Wednesday Morning**
- Individual gift bags for girls and coaches usually should be \$10 to \$20 in value, and represent your city, state, or region in some way. 15 bags is enough
- Gift Exchange will be done before each Team's First Bracket Game on Thursday.
- *If you get a bye for the first round of Bracket Games. That is a gift in itself...we will try to find another Team that also got a bye in the first round for your Team to trade gifts with.
- **or we could find you a Team that played the first round, but the opposing Team chose not to participate in the Gift Exchange.

Section 14. National Tournament Play Guidelines

1. Time Limit is 1 hour 15 minutes (finish the batter) for pool games. Pool games can end in a tie. All elimination games will be no new inning after 1 hour 15 minutes. International Tie Breaker is in effect after time has expired or number of innings has been played. Championship games will be 7 innings for 12U-18U. Championship games will be 6 innings for 6U-10U. International Tie Breaker will be used at expiration of time limit for bracket games that are tied. International Tie Breaker will be used for Championship games after the official number of innings has been played.
2. Showcase pool games will be 80 minutes. Remember, this is a time for players to show their skills to the College Coaches, so enjoy the format and be patient. The outcome of these games are not so much the score, but individual performances for the players.
3. Run rules will be in effect for all Pool, Bracket and Championship Games, (with the exception of Showcase pool games). Run rules are: 12 runs after 3, 10 runs after 4, and 8 runs after 5. Run rules are in effect for all games, including championship games. Pool games will have a 5 run max per half inning for "C" Class Divisions only.
4. There will be no warm-ups on the field prior to game.
5. Home team will be decided by coin toss. Home team will be official scorekeeper.

6. Game schedule may be altered for inclement weather. Games may be canceled or rescheduled accordingly. It is up to the individual team to check current posted schedules.

7. Games canceled due to inclement weather may not be made up, but every effort will be made to play all games.

8. Coaches must check their team in at the Team Managers/ Coaches meeting (time and location to be announced).

9. Hydration, Hydration, Hydration!! Keep an eye on your girls. If there is any question about a girl's health on the field, please tell the umpire to stop the game so we can assure the well being of the girls. Also, coaches need to keep an eye on the umpires. Players need to keep an eye on the coaches. Keep your coaches hydrated. We want everyone to stay healthy and have FUN!! Wear your SUNSCREEN; you will be glad that you did!

Drones and/or other mechanical equipment that fly or hover over ball field ARE NOT allowed at USFA events.

Some USFA official events have Action Photo Sponsors. In the event of fair play to the sponsor, we only allow official Photographers inside the playing field fence lines.

Thursday thru Saturday - Double Elimination

* refer to USFA Rule Book

Starting on Page # 29

* These are National guidelines, but we choose to finish the inning for Pool Games during the World Series in Panama City Beach.
