

## Dog Walking

**Crazy work schedule? Have a new puppy who demands extra attention?  
Does your fur baby need some exercise?**

Sometimes work and other obligations can make it difficult to find the time and energy to give your pet the exercise they crave and need. Your dog will get individual attention on their walk. Each walk is timed and GPS tracked, which you will receive a report card at the end of the visit.

### **Each Visit includes:**

- Lots of cuddles & loves for your pets
- Fresh water and treat if needed
- Administering medication (if needed)
- Brushing, combing, exercising and playing with your pets
- Clean up any pet messes
- Home security check
- Bring in trash & recycling bins
- Bring in any packages that are delivered
- Digital report card after each walk
