**Outer Burial Container Price List**

The State or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.

Premium – High strength concrete, semi-precious metal, corrosive resistant metals, and high impact plastic combine for quality.

Standard- High strength concrete, stainless steel, and high impact plastic combine for durable inner protection in a double reinforced vault.

Basic- Single reinforced vaults feature concrete construction strengthened with plastic for extra support.

Economy- An unlined concrete grave box
