FAQ:

Can I bring a shooter? Yes, but player must be cleared with me first. We select only AA, AAA or above older level shooters.

Is this for beginner goalies or AAA goalies? It's for all goalies within age range, we will divide older goalies and younger goalies into above set groups on ice.

I can't attend all the clinics; can I have a pro-rated fee? Unfortunately, no, in order to manage the number of goalies and expenses, full fee is required. * Special exceptions may apply

Will drop ins be allowed? No, for liability reasons, only registered goalies can attend.

How many goalies are allowed? We limit each group/on ice session to 18 goalies max or 9 per group.

What is the coach/goalie ratio? We will typically have 4-5 goalie coaches and 1-2 player coaches on ice all sessions for a ratio of 2:1 player:coach

What will the camp cover? All aspects of battle, compete, and goalie IQ drills that older goalies are faced with during the course of a game along with conditioning drills to prepare for tryouts and the season.

If I can't make all the clinics, can I have a substitute goalie go in my child's place for the clinic he will miss? No, for liability reasons we can only accept the goalies that register.

Do I have to pay the full amount right away? Yes, however under special circumstances I can make other payment arrangements. Please contact me if this is a concern.

Will refunds be given if I can't make the camp after I register? This is a strict no. We operate on small margins to keep the cost in check with very limited space. We can offer a credit for any additional 'camp' we run; this does not apply toward contract ice sessions.
