FAQ:

Can I bring a shooter? No. We select only AA, AAA, college or above older level shooters.

Is this for beginner goalies or AAA goalies? It's for all goalies within age range, we will divide older goalies and younger goalies into above set groups on ice and specific smaller sub groups relative to ability.

I can't attend all the clinics; can I have a pro-rated fee? Unfortunately, no, in order to manage the number of goalies and expenses, full fee is required.

Will drop ins be allowed? No, for liability reasons, only registered goalies can attend.

How many goalies are allowed? We limit each group/on ice session to 18 goalies max or 9 per group.

What is the coach/goalie ratio? We will typically have 4-5 goalie coaches and multiple shooters per station.

What will the camp cover? All aspects of battle, compete, and goalie IQ drills that goalies are faced with during the course of a game along with conditioning and puck handling skating drills to prepare for tryouts and the season.

If I can't make all the clinics, can I have a substitute goalie go in my child's place for the clinic he will miss? No, for liability reasons we can only accept the goalies that register.

Do I have to pay the full amount right away? Yes, however under special circumstances we can make other payment arrangements.

Will refunds be given if I can't make the camp after I register? No refunds will be given, however we can apply a credit toward future camps or clinics pending approval.
