FAQ:

Can I bring a shooter? Yes, if they are junior or college age, please let Selectgoaltending know ahead of time if you are bringing someone.

I cannot attend all the clinics; can I have a pro-rated fee? Unfortunately, no, in order to manage the number of goalies and expenses, full fee is required.

Will drop ins be allowed? No, we have overbooked because of demand the past few years.

How many goalies are allowed? We limit each group/on ice session to 12 goalies max.

What is the coach/goalie ratio? We will typically have 4 goalie coaches on ice for all sessions. Some skating stations may have a higher player: coach ratio while other shooting stations may have a lower player: coach ratio.

What will the clinics cover? We stress the importance of a solid skating and movement foundation. Half of each session will be spent on skating and movement drills while the other half will be broken up into different shooting stations.

Do I have to pay the full amount right away? Yes, however under special circumstances I can make other payment arrangements. Please contact me if this is a concern.

If I miss a week, will my goalie be lost in the following session? No, although our program will be progressive in nature, it will not prevent a goalie from understanding or being able to learn in the next session.

Will refunds be given if I cannot make the camp after I register? This is a strict no. We operate on small margins to keep the cost in check with very limited space. We can offer a credit for any additional 'camp' we run; this does not apply toward contract ice sessions.
