FAQ:

Can I bring a shooter? No, we have paid selected AA AAA Jr and college level shooters.

Is this for beginner goalies or AAA goalies? It's for both, we will separate groups by age and ability level.

I can't attend all the clinics; can I have a pro-rated fee? Unfortunately no, in order to manage the amount of goalies and expenses, full fee is required.

Will drop ins be allowed? No, we have overbooked because of demand the past few years.

How many goalies are allowed? We limit each group/on ice session to 16 goalies max.

What is the coach/goalie ratio? We will typically have 5 goalie coaches on ice all sessions. Some skating stations may have a higher player coach ratio while other shooting stations may have a lower player coach ratio.

What will the clinics cover? We always stress the importance of a solid skating and movement foundation. Most of the sessions will focus on compete level and battle drills getting ready for the second half of the year. We also will focus on pregame warmups and general off ice training with our Certified Physical Trainer.

Do I have to pay the full amount right away? Yes, however under special circumstances I can make other arrangements. Please contact Ken@selectgoaltending.com if this is a concern.

If I miss a day, will my goalie be lost in the following session? No, although our program will be progressive in nature, it will not prevent a goalie from understanding or being able to learn in the next session.

Will refunds be given if I can't make the camp after I register? No, however exceptions may apply for a prorated amount if I can replace your child with another goalie on the wait list.
