Can I bring a shooter? Yes, if they are junior or college age, please let Ken know ahead of time if you are bringing someone.

I cannot attend all the clinics; can I have a pro-rated fee? Unfortunately, no, in order to manage the number of goalies and expenses, full fee is required. *Special exceptions may apply.

Will drop ins be allowed? No, we have overbooked because of demand the past few years. Out of state goalies outside of IL have option for a daily rate only.

How many goalies are allowed? We limit each group/on ice session to 12 goalies max.

What is the coach/goalie ratio? We will typically have 4 goalie coaches on ice all sessions. Some skating stations may have a higher player: coach ratio while other shooting stations may have a lower player: coach ratio.

What will the clinics cover? We stress the importance of a solid skating and movement foundation. Half of each session will be spent on skating and movement drills while the other half will be broken up into different shooting stations.

Do I have to pay the full amount right away? Yes, however under special circumstances I can make other payment arrangements. Please contact me if this is a concern.

If I miss a week, will my goalie be lost in the following session? No, although our program will be progressive in nature, it will not prevent a goalie from understanding or being able to learn in the next session.

Will refunds be given if I cannot make the camp after I register? This is a strict no. We operate on small margins to keep the cost in check with very limited space. We can offer a credit for any additional 'camp' we run; this does not apply toward contract ice sessions.
