SELECT GOALTENDING

Can I bring a shooter? No, to be more efficient, we select only AAA or above level shooters.

Is this for beginner goalies or AAA goalies? It is for both, we will separate groups, and subgroups, by age and ability level.

I cannot attend all the clinics; can I have a pro-rated fee? Unfortunately, no, in order to manage the number of goalies and expenses, full fee is required. *Special exceptions may apply.

Will drop ins be allowed? No, we have overbooked because of demand the past few years. Out of state goalies outside of IL have option for a daily rate only.

How many goalies are allowed? We limit each group/on ice session to 18 goalies max.

What is the coach/goalie ratio? We will typically have 5-6 goalie coaches on ice all sessions. Some skating stations may have a higher player: coach ratio while other shooting stations may have a lower player: coach ratio.

Can I have my goalie attend the other age clinic? No, each session is strictly meant for the age groups in question.

What will the clinics cover? We stress the importance of a solid skating and movement foundation. Half of each session will be spent on skating and movement drills while the other half will be broken up into different shooting stations.

If I cannot make all the clinics, can I have a substitute goalie go in my child's place for the clinic he will miss? No, for liability reasons we can only accept the goalies that register.

Do I have to pay the full amount right away? Yes, however under special circumstances I can make other payment arrangements. Please contact me if this is a concern.

If I miss a week, will my goalie be lost in the following session? No, although our program will be progressive in nature, it will not prevent a goalie from understanding or being able to learn in the next session.

Will refunds be given if I cannot make the camp after I register? This is a strict no. We operate on small margins to keep the cost in check with very limited space. We can offer a credit for any additional 'camp' we run; this does not apply toward contract ice sessions.
