Emory National Model UN Conference ***Sponsorship Package***

About Us

Why sponsor ENMUNC?

Dear future partners,

This is the 5th year of the Emory National Model UN Conference, or ENMUNC, the annual high school Model UN conference organized by the Emory International Relations Association.

Emory Model UN is ranked 19th in North America, and we pride ourselves on hosting a conference attended by 200+ delegates representing diverse backgrounds from high schools around the country. ENMUNC provides a much-needed opportunity for reflection, debate, and fun, with this year's committee topics ranging from human rights to Spongebob.

We endeavor to build a mutually beneficial relationship that allows you to reach our audience of delegates, staff, and our wider Emory community. Your support is integral to the success of our conference and our mission of furthering students' understanding of global issues, and we thank you for your consideration. Please review this sponsorship guide and consider what level of sponsorship is right for you. Do not hesitate to reach out to us at emoryenmunc@gmail.com.

Sincerely,
Jack Kofron
Under-Secretary General of Business
