

Emory National Model UN Conference

2026 Sponsorship Package

About ENMUNC

Why should you sponsor our conference?

Dear future partners,

Welcome to Emory Model United Nations Conference (ENMUNC), Emory's high school Model UN conference organized and hosted by the Emory International Relations Association. We are excited to host our Conference for a 6th year and continue providing opportunities for high schoolers to enhance their debate skills and have fun in this year's committees.

Each year, over 200 high school delegates attend ENMUNC, and we are proud to represent a plethora of diverse backgrounds, hosting high schools from Atlanta to around the nation.

To host a successful conference each year, we rely on a principal team of sponsors to support our mission of advancing high school students' understanding of global issues and debate. Sponsoring ENMUNC is a mutually beneficial relationship, where you can reach our audience of delegates, staff, and our wider Emory community. This sponsorship guide features more information about becoming a conference sponsor, where you can consider the level of sponsorship that works best for you. Thank you for your consideration, and please do not hesitate to reach out to us at emoryenmunc@gmail.com.

Sincerely,

Tula Larsen

Under-Secretary General of Business, ENMUNC VI
