Notes

You are a devotee of **Ord the Father of Stone**, also called Saulhib. He is worshipped by all manner of folk, from those within mountain strongholds to the plains folk who live in earthen hovels. He is the god of earth and stone and the guardian of the gates of hell, where he keeps the lord of the underworld within. He is worshipped as a protector and a provider. His demonstrations of power are awesome and undeniable; for, when his temper is aroused the earth itself trembles.
