Notes

Quote: "Luck's just a lady with expensive tastes—she'll only stick around if you know how to charm her."

Languages (3): Louisiana Creole, English, French

Description: You were born in New Orleans' Creole Quarter in 1855 to a free woman of color and a French merchant. Raised amidst the city's vibrant social scene, you mastered charm and sleight of hand. By your teens, you were a skilled gambler, navigating the post-Civil War South with ease. Known for your sharp mind and stylish appearance, you gained a reputation as a cunning card player who can read people as well as cards.

Notes:

◆◆◆ You **Blind-Turn 2 cards** for Driving Tests, Education Tests, Performing Tests, and Thievery Tests.

◆◆◆ You **Blind-Turn 3 cards** for Gambling Tests.

◆◆◆ You **Play From Hand** for Search Tests.

Charm of Gambler's Luck: You may return a single **Blind-Turned** card from the discard pile to the top of your Fate Deck, then the charm is destroyed.
