Notes

Quote: "The Lord works in mysterious ways. Why He picked me, I still ain't sure."

Description: You are a wandering preacher with no congregation, roaming the frontier with a Bible in one hand and a flask in the other. Disillusioned by years of hardship and loss, you now deliver fiery sermons to anyone who will listen, often in saloons or out in the wilderness, preaching about sin, redemption, and the harshness of God's judgment. Though rough around the edges and far from saintly, there's a deep conviction beneath your worn exterior, and a lingering hope that you might still find salvation—both for yourself and the lost souls you meet.

Notes:
