**David
Roberts**
District Governor

Greetings Fellow Lions!

It's that time of year again with the hustle and bustle of holiday shopping, of family get-togethers, parties and Christmas Celebrations.

Many Lions are busy with special projects this time of year. Lions service projects are varied and numerous. Some clubs sell the yule tide trees, other clubs provide holiday fixings to those that need a little help. Some ring the Bells for the Salvation Army, some assist with Coats for Kids, and still others help with Secret Santa and Toys for Tots.

Our Lions Motto, "We Serve", is very appropriate for this season of giving. There are many needs in our communities and many opportunities to serve. With a little effort and planning great things can happen, making a difference where you live and work.

This is also great time to take advantage and participate in your local Christmas parade and be visible in your communities. Marketing your club goes a long way!

A few reminders and updates. Please reach out to schedule your District Governor visit. I cannot wait to see what you all are doing in your communities

The WV Lions Leadership School is being held January 24, 25 and 26 at the Days Inn resort in Flatwoods. This opportunity is open to **ALL LIONS**. It would be great to have a few Lions from every club in attendance. The atmosphere is relaxed and fun and I am certain you will make some great new friends and learn a lot about Lionism.

MESSAGE FROM DISTRICT GOVERNOR DAVE (Continued))

Mark your calendars for our District 29L Conference being held in Parkersburg at The Historic Blennerhassett Hotel, March 14th and 15th. Registrations will be available soon.

As is tradition, we will be holding the Parade of Checks at this event. Many Clubs participate by making contributions to one or more of the many Lions initiatives and charities such as LCIF, WV Sight Foundation, Camp Kno-Koma, Leader Dog and the Blind Ski Program to name a few. Please consider what your club may be able and willing to contribute. The conference promises to be a fun time for all.

Again, I am asking representation from all of the clubs in our district. We hope you will find this to be one of the best conferences you have attended. You don't want to miss this one!

**KIM EBERT,
1st Vice District Governor**

Hello Fellow Lions!

Merry Christmas and Happy Holidays! As we near the end of this remarkable year, let's embrace the joy of the season and the memories we've created together.

Taking on the role of First Vice District Governor has been an empowering journey. I am grateful for the support of so many dedicated Lions, which fuels my confidence in leadership. Connecting with fellow Lions to celebrate your achievements and tackle challenges inspires me. Together, we have the strength to grow our clubs and make a meaningful impact in our communities.

The Leadership Retreat is coming in January, and I wholeheartedly encourage you to attend. The seminars are a source of inspiration and knowledge. After six years of participation, I always leave with a renewed sense of purpose and the power of the "Lion's Roar" behind me!

If you have any questions or need assistance, please reach out to me at kimwvlscf@gmail.com or 304-657-7755.

Let's make the coming year extraordinary together!

Your FVDG, Kim Ebert

**LION TONY VANDENBERG,
2nd Vice District Governor**

We have just celebrated the Thanksgiving Holiday. Thank you Lions and your Clubs for all that you are doing to help serve our communities.

We should celebrate that since July, District 29 L Clubs have reported service activities in each of Lions Clubs International's eight Global Causes: Childhood Cancer, Diabetes, Disaster Relief, Environment, Humanitarian, Hunger, Vision, and Youth. Each and every Lions service activity has made a difference for that one person, or those many persons. Each service activity is truly a team effort. For me, teamwork is a source of joy.

Now we are entering a season of Joy. I wish each of you, your families, your Clubs, and your communities, peace and good will and a happy holiday season. Many service opportunities will arise this month. If you need any assistance, advice, or resources, feel free to reach out to me or other 29 L Lions leaders.

FOUNDATION**

CONNECTEDNESS

Each of us is a member of our local club. We are also a member of LCI. One way to feel and be more connected to the larger organization could be for you to make an individual donation to LCIF. And, Lions Clubs International Foundation blesses us with an opportunity to help share in being a healing presence in the midst of an often traumatized world.

Many of our Clubs donate to LCIF one or more times a year. We are encouraging Individual Lions to donate. See the Fun(d)raiser form in this newsletter. These t-shirts we hope will build pride in District 29 L, and in being connected to LCI. Anyone who has already made a donation above \$35 can receive a t-shirt if you wish – let me know if I haven't already offered you a shirt.

Tuesday, December 3rd, is "Giving Tuesday", the online global generosity movement. It is a day of giving in any way that you can to help support @LCIFLions and empower Lions Service locally and worldwide. Other ways to give:

Donate on line at <https://www.lionsclubs.org/en/donate>

By check, use the Single Donor Form to:

Or see <http://lionsclubs.org/waystogive>

Lion Tony Vandenberg, LCIF District 29-L Coordinator

This year we hope to encourage more donations to LCIF by individual Lions of District 29 L – and add a little fun and District Spirit at the same time!

REMINDER TO CHECK YOUR MEMBERSHIP ROLL

December is the time when all clubs should be checking their rolls and removing any members who are no longer active. Some clubs are still carrying members, hoping that they will return to active status, even though those members are not paying their dues. A lot of clubs are still carrying members who have passed on.

Lions Clubs International will charge your club dues based on the number of members showing on your roster as of 12:01 AM on January 1. The district will also be assessing your club based on that number. You will be required to pay that amount to the district. The state will be assessing the district based on that number. The district will also be required to pay that amount to the state.

Do you really want to pay for members who aren't really members? Do you expect the district to? Check your roster this month. Clean it up. Make any necessary changes before December 31. You can help to make the collection and payment of dues easier for everybody.

PDG BERNICE PITCOCK, District Leadership Chair

Tis the season for giving thanks and celebrating all that we have - family, good friends, a safe and comfortable home!! During this time - don't forget those who are not as fortunate as we are – those that are unemployed; suffering from grief and loss; having physical and mental health issues.

You, as Lion leaders, need to set the stage for providing needed help and support to those in need during this magical time of the year.

I wish you a beautiful holiday season and bright hope for the New Year!!

Lion Bernice Pitcock

PDG Gary Pitcock, District GMT / GET Coordinator

I hope you all had a great Thanksgiving and found a way to help your community. As we prepare for this joyous season, we still need to help our neighbors and promote our clubs and attract new members for our clubs. My club is donating to the Salvation Army and Toys 4 Tykes program.

Plan on getting back out after the first of the year, making your club visible in the community.

I wish you a very Merry Christmas and Happy New Year!!

Environmental Ideas for Your Club —

Sometimes in my excitement of starting a new project or task, I have a tendency to jump ahead of myself and this time was no exception! In short, LCI has a link to a very informative site of environmental ideas for your club. As we approach colder weather and your outdoor environmental projects may be on hold until Spring, use this time to go through the ideas put forth by LCI and plan for warmer months ahead.

**Marketing 101: Part 4,
Telling a Good Story**

Social media is a popular and fast way to get information to your members and followers. It's inexpensive (usually free!) and is a wonderful way to tell your story! A **vibrant and engaging social media campaign** is where you can start telling your story and getting the exposure your club deserves:

1. Facebook shows your community what your club is all about.
2. Your local TV station is always looking to share what your club is doing for the community
3. Radio is your friend and as a nonprofit you qualify for free airtime.
4. Like your local TV station, your newspaper has a news desk and is always looking for a story to share.

The more you tell your story through these different channels while keeping an active Facebook account, your local tv and radio stations and newspaper may follow your Facebook feed and reach out to you!

It's just that easy. Marketing your club is telling **your** story, so make it a good one!

Stay tuned for more ways to market your club and as always, Thanks for all you do.

MT OLIVET LIONS CLUB * 2024 VETERANS DAY PROGRAM / HANDICAP RAMP & WALKWAY

Five years ago, the Mt Olivet Lions Club initiated a program called "Flags for Heroes". The first year we proudly displayed 60 3'x5' America Flags at the Mt Olivet Community Park. This program received overwhelming support from our community. Today you see 160 flags being flown in honor of special HEROES.

The response from the community encouraged the Lions to look into the future and formulate plans to add a Veterans Monument on the same site as the flags display.

We agreed on a four-phase project:

PHASE 1 — Continue "Flags for Heroes" sponsorships;

PHASE 2 — Construct a Veterans Monument (completed and dedicated in November 2021);

PHASE 3 — Have pavers available as an everlasting memory to be placed in front of the monument (to date, 168 are placed and there is room for many more!);

PHASE 4 — Construct a Handicap Accessible walkway and park space so everyone has easy access to visit the site. (COMPLETED and dedicated during Veterans Day Program 2024!)

A dream became reality! This area is a continuing tribute to all HEROES, who in times of war and peace, honorably served this great country and our community. Our special HEROES who will never be forgotten.

The Mt Olivet Lions are proud to gift our community with an everlasting legacy to be enjoyed for generations to come.
