

LEAD TO COURAGE, SERVE WITH HEART!

DISTRICT 29-L
(WV-USA)

It Is Time for School!

By District Governor Kim Ebert

As students return to the classroom, Lions are reminded of our ongoing commitment to support young people in their education and leadership development. Back-to-school season is the perfect time to strengthen our connection with youth and schools in our communities.

One of Lions Clubs International's key goals this year is for **each district to establish at least one new Leo Club**. Leo Clubs give students the opportunity to develop leadership skills, engage in meaningful service, and build lifelong habits of giving back. They also create a natural bridge between Lions and the next generation of leaders.

Here are a few ways clubs can get started:

- **Partner with local schools:** Reach out to principals, teachers, or guidance counselors to introduce the Leo Club program.
- **Engage existing youth groups:** Connect with community centers, after-school programs, or church youth groups that may be looking for service opportunities.
- **Promote leadership opportunities:** Emphasize how being part of a Leo Club helps students build skills for college, careers, and life.
- **Highlight service impact:** Share examples of Leo projects in other communities to inspire interest and show the difference young people can make.

By working together, we can meet LCI's goal while empowering students to lead and serve. Let's make this school year the one where new Leo Clubs thrive across our districts!

The Sight Foundation has funds to help those in need of sight and hearing issues. These funds are used NOT for eyeglasses but for procedures for the eyes that are much needed that the club cannot afford. For example: surgery for the removal of cataracts!

There is a process to this service. First the person in need fills out the application, the Service Coordinator gets the application and reviews it for eligibility. They contact a service provider in the area. WE ARE IN NEED OF A SERVICE COORDINATOR FOR OUR DISTRICT! If you would like to serve in this position, please contact Lion Paul ASAP. We cannot have applications reviewed if we do not have a service coordinator. The lions' clubs in our area support the foundation very well. However, we do not look for those individuals in our area who need help. There is money available to help those who qualify.

Your Feelings, Your Communities, Your Club Your Way

Your Lions Club can provide the opportunity to explore feelings about your communities (we each belong to several), your fellow Lions, and yourself. Together as a Club, we can address those feelings, and let us *Lead With Courage, Serve With Heart* -- DG Kim's theme.

Lions Clubs International (LCI) has developed suggestions for over 100 years, a leadership format, Global Causes for service, a robust Lions Clubs International Foundation, and District resources. There are only a few requirements for Clubs: pay dues and other expenses to international; submit regular reports about membership and service; and abide by the constitution and by-laws of LCI. Feel free to ask District leaders for help to develop ideas. Yet, there is no right way, nor wrong way, for any Lions Club to operate.

Consider consulting as a refresher, or for the first time, the publication "*Your Club, Your Way*", which offers suggestions on types and formats of meetings. Link here

<https://www.lionsclubs.org/en/v2/resource/download/79862780> or search that title from the Lions Clubs homepage <https://www.lionsclubs.org/en>

Regarding Service, the Members Resource Center <https://www.lionsclubs.org/en/member-resource-center> has many pages of ideas that might spark a new or updated service project for your Club. LCI is encouraging clubs to consider *Weeks of Service* below. More information at <https://www.lionsclubs.org/en/member-resource-center/service/global-causes-initiatives/weeks-of-service>

- Mental health and well-being -- October 4-12, 2025
- Hunger -- January 3-11, 2026
- Environment -- April 18-26, 2026

Please let me know of upcoming service projects, events and significant meetings. I hope to be able to attend.

IN MEMORY OF:

Lion Jim McKnight from Pleasants Area Lions Club passed away July 13, 2025. Condolences to his family and friends

Lion Lynn Edward Moore from the Dallas Lions Club passed away July 31, 2025. Condolences to his family and friends

Leadership

PDG Bernice Pitcock

September 2025

This information has been sent to us following the Mission 1.5 summit that was held recently in Las Vegas. These are some of the suggestions sent for Lions leaders to focus on NOW:

Identify & implement 1 thing they will do in next 30 days to support club growth; Clubs to achieve Club Excellence Award criteria to improve club operations & service; Review & adjust communication strategies to improve member engagement; Celebrate successes in recruiting new members, launching new clubs, and improving retention; Lion & Leos should attend Lions USA Regional Institutes (RLLI); plan service projects for the Weeks of Service.

There were several more initiatives suggested – if you are interested in attending the zoom meetings set up addressing these issues, please contact me at bpit@comcast.net or call 304-670-7216.

ATTENTION: The new Club Officer Guide is available to you on the District 29L website or the Multiple District 29 website. Covers all officers in one guide. Please take a look at it!!

SERVICE REPORTING

GST Ramona Sago

How Lions and Leos measure their service impact

These are called metrics. Metrics allow all Lions around the world to report their service and see how local service adds up to make a huge global impact. The metrics used to measure success depend on the type of service.

Metrics that are currently collected by Lions International include:

- Number of activities: Each activity reported by a club, district or multiple district is counted as one activity.
- Number of people served: These are the direct beneficiaries of Lions service. Sometimes the number of people served can be counted precisely, and sometimes it must be estimated.
- Number of volunteers: The number of people who participate in the planning or implementation of a service project. As Lions often invite friends to join their service activities, the number of volunteers can include both Lions and non-Lions.

- Number of volunteer hours: The number of hours spent planning and implementing a service project.
- Funds raised: The amount of money collected to fund service activities or charitable donations. This can be from Lions making personal contributions, or funds, raised from non-Lions during a fundraising event.
- Funds donated: The amount of charitable funds given to an individual or organization. Funds donated to LCIF are tracked by the foundation and need not be reported as a service activity, but if an event was held to raise those funds, that event can be reported as a fundraising activity.

What is not reportable service?

Many Lions and Leos serve their communities individually, outside of the activities planned by their clubs, districts or multiple districts. Some examples include bringing a meal to a neighbor, driving a parent to a medical appointment, or volunteering at their place of worship. This type of work is important and commendable; however, it should not be reported as a Lions' service activity.

990-N Non-Profit Tax Reporting

Administrator: Ramona Sago

Lions Clubs whose gross receipts are normally \$50,000 or less must file Form 990-N, Electronic Notice (e-postcard).

A Lions Club that fails to file the required e-postcard (or annual return) for three (3) consecutive years automatically loses its tax-exempt status.

The first time to be re-instated will cost a club \$400, the second time will cost the club \$800.

Filing period begins on July 1st and ends on November 15th of each year.

PLEASE DO NOT WAIT UNTIL THE LAST MINUTE TO FILE!

Contact PDG Ramona Sago at 304-662-6265 or rsago1959@gmail.com if your club does not know how to file.

A LETTER OF APPRECIATION RECEIVED

Dear PDG Dave and DG Kim,

Thank you for being a great partner and helping us raise fund for Leader Dog. As we start the new fiscal year, I wanted to share an update that I hope you can celebrate and share with your district.

In fiscal year 2024-25, Leader Dogs for the Blind served 323 clients. Of those, 5 clients were from West Virginia, and over the past 85 years Lions have helped us serve 100 people from West Virginia at zero cost to them!

We received donations from 16 Lion Clubs from MD-29-L, amounting to \$5,700.00! Together, all clubs from MD-29 helped us raise \$22,270.00!

In fiscal year 2024-25 Lions Clubs both nationally and internationally helped raise over \$2.2 million for Leader Dogs for the Blind, serving around 1,400 individuals. This new fiscal year we are hopeful to serve even more people who are blind or have low vision and have a **goal to raise \$2.5 million**. We hope to also have one West Virginia Club become a Top Dog Club this new fiscal year, so they can join our Summer Visits next year if possible.

With your continued support, we can help more clients like Ryan.

Ryan came to Leader Dog for Orientation & Mobility training last spring and came back this year for the Guide Dog program. He is a father who enjoys camping, hiking and swimming, and he does adaptive skiing through the National Sports Center for the Disabled. He said, “Leader Dog Lexie is going to help me travel to and from work and leisure activities I like to do. She’ll help me go to the grocery store, the gym or the rec center. **She's going to open up a lot of things that I wasn't able to do before.**”

It is because of your unwavering support that, together, we can serve so many people!

If you have any questions, please don’t hesitate to reach out, and let me know how we can partner in this new year and work together to reach more clients and help them be unstoppable.

Appreciate it,

Lion Claudia Gregory

DID YOU SIGN UP FOR THE NEWSLETTER? BE IN THE KNOW ABOUT YOUR DISTRICT!

Updated Newsletter Sign-up Information <http://eepurl.com/jiEK6w>

The District 29 L newsletter will be transitioning to a new Mailchimp account. It is essential that you sign up to continue receiving our future newsletters. There are several reasons for this change: 1. ****Federal Regulations****: We want to ensure that email providers recognize our newsletters as legitimate and not as scam emails. To help prevent this, please add LIONS29Lnewsletter@gmail.com to your contacts. 2. ****Subscriber Limit****: A free Mailchimp account allows for fewer than 500 subscribers. Since our district has over 900 Lions members, we must manage our subscriber list carefully. 3. ****Low Engagement****: In the past, we had over 1,000 subscribers, but only one-third opened the emails, and even fewer clicked on links to view the newsletters. We recommend that club presidents or secretaries forward the newsletter to their club members to ensure everyone stays informed. Thank you for your understanding and for signing up for the District 29 L newsletter!

Sincerely, Lion Kathy Syphers, IT Chairperson

Lead to Serve, Serve to Lead with International President A.P. Singh

Dear Lion,

Whether you are a new Lion or have been a member for years, you are here because someone invited you to join. To help us grow our clubs and our service — and reach our *MISSION 1.5* goals — now it is your turn to invite someone else and share the joy that service brings.

Growth is essential for us to be able to continue to improve the service that Lions are known for around the world. We are a people-driven organization where service is at the heart of everything we do — and we need dedicated Lions like you to help us make an even greater impact together.

So invite friends and neighbors who have the heart to serve. Welcome diverse individuals and groups who will offer us fresh perspectives and energy. This is how we will keep our organization growing and thriving.

Growth benefits us all — our clubs, our communities and the people we serve. I look forward to seeing your club and your service grow.

Youth Exchange Reflections

My LYE Experience in Germany - Kaydence Cain

My LYE Experience in Germany, June 27, 2025th through July 19, 2025 was the best and fastest three weeks of my life. It feels like I was just on the airplane on my way to Germany thinking about all the possibilities of what could happen. Will the people be nice? Will I have fun? Will I be home sick? Will this be the best experience of my life?

When I arrived at the Frankfurt airport my host family as well as two other exchange students were waiting for me. Little did I know one of the exchange students standing there would be one of my best friends after leaving the country. My host family was very nice and welcoming. During the week I spent with them I experienced the German family culture. They prepared a delicious dinner every day and we mostly sat outside where the gorgeous view of the village was to eat. I also got the opportunity to go to school one day with my host sister Paula. It was very interesting to see how different it was compared to my school. One thing that stood out was how small their classes were and that they all knew English well. While I was there, I was able to attend her school's prom because she was volunteering for it. It was so much bigger compared to my school because families, teachers, and the students attend for the graduating class. During that week some of the other exchange students and I explored the country with our host families. I am so happy we did that because it made camp 100 times better because we all already knew each other. I am grateful for the host family I stayed with because we now carry a special bond. I am so excited to go back and visit them one day.

After one week it was time to go to the camp, I was sad to leave my host family, but also excited for what the camp would bring. When we all arrived at the hostel, we put our stuff in our rooms and all the girls talked until dinner. At dinner we told something about ourselves and what country we were from to show how diverse our group was. We did many things over the two weeks that made it go by in a blink of an eye. One of the first places we visited was Kassel where we explored the nature part of the city. There were flowers from all over the world planted there and sceneries that were breath taking. Something we did a lot was bob riding. We did so many that I lost track of how many we actually did. We also went to a Par 3 golf course which was fun because I was the only one who had played before.

One day we explored the city we were staying in, Korbach. We learned about the history of the city and walked around during the day. In the evening, we climbed the church tower with a spiral staircase that had over 200 steps. I thought up would be the hard part but going down was worse because it makes you very dizzy. On another day we went to a wildlife park. It stood out to me that they had racoons there because I have never seen a racoon in a zoo before. The brown bear was my favorite part that day because it was very cute. We got to watch the workers feed the animals as well. The next day we went on a Swiss bridge. Let's just say that bridge felt a million miles long and it was the slowest 10 minutes of my life walking across it. That same day we saw where a ski jump competition takes place. The tour guide said not many accidents happen, but it looked scary to me.

Youth Exchange Reflections(cont)

When we left that place walking back to the bus, I saw the most motorcycles I have ever seen at once. We stopped for a minute to watch them drive by. We visited the Wartburg castle. This was my favorite castle that we saw there. The history was great and the castle itself was beautiful. One of my favorite days was going to Marburg. We did a city tour, ate lunch, and explored the city. It was very pretty, and I had a lot of fun with everyone. On one of the last days, we went to the Eder Dam. We walked around and saw the gorgeous view. Due to weather that was supposed to happen we couldn't do what we previously planned, so we went on another boat. That same day a member from a Lions Club invited us to go eat dinner. He brought his two red Porsche tractors to show us as a surprise.

On the second to last day, we went to a mine. It was cool to see how everything was set up, the machines, and how hard they had to work there. On the very last day we all started to get sad, and it was starting to hit us that we had to leave each other. That day we spent every minute with each other. We signed our shirts, wrote to each other in our own languages, and just enjoyed our last day together. We all went and got Turkish Kebab for the last time there for lunch. There was a farewell party where the host families came to, and we had a barbeque. We took lots of pictures and shared our favorite memories.

Suddenly it was 5am and my stuff was all packed up. It was time to say goodbye to everyone and to the hostel that holds two weeks of memories. This goodbye was so hard that I cried a lot on the way home. All I could think about was the times we shared together. I won't ever forget the endless laughs we had or all the inside jokes we made along the way. This experience made me learn a lot about myself, but also gave me friendships that will last a lifetime. I learned so much about different cultures and all the people at the camp that it feels like I've known them my whole life. I hope in the future our paths cross again and I can visit them. Especially a girl from Romania named Eva. We clicked instantly and we haven't gone a day without talking since we left. I wish I had one more day at this camp with these people. I can't even explain how much I miss everyone there. All I know now is that I have so many memories that I will carry with me for the rest of my life, new friends from across the world, and many inside jokes that no one will understand except us. I will forever be grateful for the Lions Youth Camp & Exchange. I was able to follow my dreams of traveling and experience a new culture. However, I learned in the end the place means nothing when the people mean everything.
