(WV/USA)  
APRIL 2025  
Newsletter

**David Roberts**  
District Governor

Greetings fellow Lions. What a great day it is to be a Lion!

I want to thank Lion Lori for being our District 29L Conference Chairperson. This Conference exceeded my expectations. For those who attended, they had a great opportunity to learn, share ideas, make new friends and visit with old friends.

Friday evening we hosted a Dinner Cruise on the Ohio River aboard the Valley Gem Sternwheeler with entertainment and fun for all. Our conference theme, the Roaring 20's, was well represented with the performers dressed in period attire, along with many guests dressed for the occasion. Who would have thought that there would be 75 degree sunny weather in the month of March? It was 75 and sunny! This just made the event on the cruise even more enjoyable.

Following the Dinner Cruise, we were entertained at the Historic Blennerhassett Hotel in the 1889 Speak Easy by the Debarr Stevens Trio. This was just the lead up to the many events going on Saturday.

The Conference official start was Saturday and it was well attended by over 80 registered Lions. The conference began with the District 29L Cabinet meeting followed by the Past District Governor's meeting, several learning opportunities, a luncheon where we were entertained by Parkersburg South High School Thespian Troupe 1540. After lunch there were more learning opportunities, a Strides walk, the Dinner Banquet, and entertainment by the band, Insured Sound.

I want to take a moment to recognize the significance of the Parade of Checks. There is no amount too big or too small to make a difference for "THAT ONE" and wow did District 29L step up to make a difference for many "ones" this year! Contributions were made to LCIF, WV Lions Sight Conservation Foundation, Camp Kno-Koma, Deaf and Blind Recreation, Diabetes Awareness, Romney School Work Program, Leader Dog, Pilot Dog, Leo Clubs, Youth Exchange, and WVU Children's Hospital for a Grand Total of **\$42,020 Dollars!** Eighteen Clubs participated in the giving with Wheeling Lions Club leading the way with \$20,100.00, Parkersburg Lions \$4,500.00, Williamstown Lions \$2,900.00, and Mt Olivet Lions with \$2,500.00, just to name a few. What an awesome job of all the clubs that participated! It is amazing the difference we make TOGETHER. Thank You to all of the Lions and Clubs that contributed to this success!

(CONTINUED ON PAGE 2)

## District Governor Dave's Message (continued)

Our special guests and entertainment helped make the Conference a success. I know a lot of thought and planning went into organizing this event.

**REMINDER TO CLUBS:** Please hold your elections and report your new officers to LCI via the Lion Portal. If you need assistance, please reach out to Lion Ramona Sago. If you are elected by your club to serve during the 2025-2026 Lion's Year, I personally ask you to participate and attend Officer Training even if you have served in the position previously. Learning is a continuous activity that we as Lions have embraced since the beginning of Lions Clubs. It is a way we continue to grow personally and in Lionism.

**Just a note:** It is not too late to schedule a District Governor visit. Please call, text or email me with a potential date.

As we heard at the conference, many good things are happening around our District. Service to our communities remains at the forefront of what our clubs are doing, and a great way to reach out to those who need assistance. It is also a great way to recruit new Lions.

Remember, together we make a difference for That One!

Roar Lions!

Dave Roberts, District Governor 29L

**THANK YOU**

I would like to take a moment to thank each of you who took time out of your busy schedule to attend the District 29L Conference. I recognize that life is very busy and many times we are stretched very thin to cover everything we need and want to do. This made your attendance with us extra special.

It is our hope that each of you learned something new, were reminded of something, or left with an idea that sparked your interest. We also hope that you found a bit of time to relax, enjoy the entertainment, reconnect with other Lions, and just have some fun and fellowship.

I would like to thank our presenters: PID Ron and Lion Kitty Keller, Second Vice District Governor Tony Vandenberg, PID Steve Glass, PDG Jay Houser, PDG Kermit and Lion Judy Harder. Thank you to our special guests: Lion Larry “Mad Max” Maxwell, Fred Shreve, and J D Williamson.

I would also like to thank those who supported this endeavor in many ways, including but not limited to, Lion Tracy Hively, Lion Amy Houser, Lion Phyllis Amrhein, PDG Jay Houser, First Vice District Governor Kim Ebert, PID Larry and Lion Rachel Johnson, to name a few. Thank you to Lion Jason Wharton and Lion Charles Roberts for getting registration underway Saturday morning. And a special “thank you” to Alexis Ullmann for her assistance during the conference. Her time and dedication to this event helped it run very smoothly. Maybe one day we can get her to be Lion.

I would be remiss if I did not thank all of the sponsors who helped make the District 29L Conference a success: the Bernard McDonough Foundation, Jan Dils Attorneys at Law LC, Wharton Auto Group, The Historic Blennerhassett Hotel and Spa, Curtis Miller Insurance, Kincheloe Motors, Douglas Real Estate Team, Lions Club of Parkersburg, Monarch Properties, Parkersburg Benefits, and Lion Tracy Hively.

Finally, thank you for allowing me to serve my fellow Lions in this capacity. It has been a Labor of Love.

Sincerely,

Lion Lori Roberts, Conference Chair

**KIM EBERT,  
1st Vice District Governor**

District 29L truly shone at our recent conference, leaving attendees with a wealth of knowledge, unforgettable experiences, and a renewed sense of purpose as Lions. The weekend was a perfect blend of education, camaraderie, and celebration, setting the bar high for future gatherings.

The seminars were both engaging and enlightening. PID Steve Glass led an outstanding session on Ethics, emphasizing the importance of integrity and moral leadership in our service. His insights resonated deeply, reminding us of the fundamental values that make our organization strong. Equally compelling was PDG Jay Houser's seminar on marketing your club, offering valuable strategies to enhance visibility, attract new members, and ensure the longevity of our mission. Attendees walked away with practical tools and inspiration to strengthen their individual clubs.

Friday night was nothing short of spectacular. The boat ride was simply perfect, blessed with great weather, delicious food, and lively entertainment—all set to a fabulous "Roaring 20's" theme. Attendees embraced the spirit of the era, making the night both fun and memorable. After the cruise, we continued the festivities at the Blennerhassett Speak-Easy, where a fantastic band kept the energy going. It was a night filled with laughter, music, and fellowship.

The highlight of the event was undoubtedly our distinguished guest, PID Ron Keller. His speech was heartfelt and inspiring, commending District 29L for our dedication and impact. He spoke passionately about service and what it truly means to be a Lion, leaving an indelible impression on all who had the privilege of hearing him.

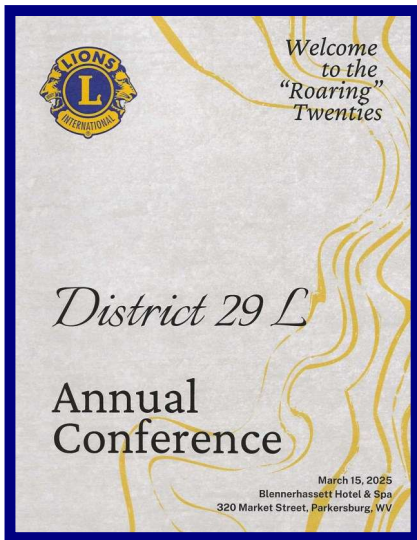

For those who missed this incredible conference, you truly missed out on something special. Every detail was meticulously planned, ensuring a seamless and enriching experience for all attendees. Special recognition goes to Conference Chair Lori Roberts and DG Dave for their exceptional leadership and dedication in making this event a tremendous success. Their hard work and commitment were evident in every aspect of the weekend, setting a high standard for future conferences.

Here's to the continued success of our district and the impact we make as Lions. We can't wait to see what the future holds!

Kim Ebert,

1st Vice District Governor, WV Lions District 29L

**SPRING INTO SERVICE**

I hope our 29L District Conference will help us “spring into service” over the next three months of the Lions year. We were able to share service ideas; learn more about Lionism; make donations to state, regional and international service projects; share entertainment and good food; and very importantly make and renew Lion acquaintances.

Past International Director Ron Keller was very complementary of our District and very positive about all that we have done and can do. The opportunity for service and friendships provided by the Lions touches all of our lives. Those of you who were able to attend, please do share ideas gathered, your reactions to the conference, and encourage others to attend future conferences / conventions / forums.

I was blessed with the opportunity to present a seminar about WV Lions vision screening equipment, and vision screening events. The handout from that seminar will soon be available on the 29L and Multiple District 29 websites. If I can help in any way with that equipment or any other way, please feel free to call on me.

Roar Lions!

Lion Tony Vandenberg  
Second Vice District Governor

Thank you! With a large boost from the 29L District Conference Parade of Checks from 29L Clubs and individual Lions, we have exceeded our District funds raised goal as set by LCIF (100.08% as of this writing)! Each dollar donated helps LCIF provide service throughout the global community

and helps emphasize the connections between all of us Lions. We still have opportunity to donate, we still have 29L t-shirts and International President Oliveira LCIF Supporter pins to recognize further donations.

The landing page for Lions International <https://www.lionsclubs.org/en> has latest posts about LCIF and other Lions initiatives. Two recent ones:

- o Recent disasters remind us that crises can strike at any moment. The deadly tornado outbreak in the Midwest United States left more than 40 dead and thousands displaced. Meanwhile, widespread flooding in Argentina and Spain's Canary Islands has left thousands displaced and communities devastated. When disaster strikes, Lions are ready to respond. Your compassionate donation to LCIF's Disaster Relief Fund helps bring hope and relief to those facing overwhelming challenges.
- o The Lions Charity Shop in Carnlough, Northern Ireland, was created by the Antrim Coast Lions Club as a response to the housing crisis in Bosnia for refugees. The shop not only brings in funds for local, national and international causes, but it has also become a place for community members to connect and socialize.

**PDG BERNICE PITCOCK,  
DISTRICT LEADERSHIP CHAIR**

Spring is here!! Finally!!

With Spring comes the annual election of club officers. Clubs need to get their nominees together and vote for the 2025-26 officers. As soon as you conduct your elections, please notify the following:

- ♦ Lions International — SECRETARIES Designate Officers in MyLCI
- ♦ DG Dave Roberts – parkersburgbenefits@cascable.net
- ♦ Kim Ebert 1<sup>st</sup> VDG — kebert69@gmail.com

It is vitally important for these Lions to have your information in a timely manner.

As Leadership chair, I need to get training information to the correct people.

Secretaries — Please take this time to update home addresses, email addresses, etc., so we have the most up-to-date information.

Incoming officers – if you have any specific questions regarding your positions, please let me know so we can address these during training.

Officer training will be held more virtually this year – we did not get much turnout for in person in the past. If you have any concerns, please let me know.

Happy Spring!!

Wow, what a great conference – if you weren't there you don't know what you missed!

PID Ron Kellar was a great speaker and he praised West Virginia and our District. Friday evening cruise had a beautiful night to have a roaring 20's good time. The session we had on club projects was very informative as some clubs spoke about the projects that they do.

As for membership/extension, we are working on 2 new clubs to add to our current ones. I have information available on bringing in new members and other ideas.

Yours in Lionism,  
PDG Gary

**Lion Amy Houser,  
District Environmental Chair**

**April showers bring May flowers and with them, pollinators!**

**A great Environmental service project is to create a pollinator or a butterfly garden! Pollinator gardens are also a great educational tool, too. Butterfly gardens need only two components: host plants and nectar plants.**

**Host plants are plants where butterflies will lay their eggs and once hatched, the caterpillars will feed off the leaves of the host plant. Good examples are milkweed, butterfly weed (a type of milkweed) and herbs such as dill and parsley. Nectar plants are those whose flowers or blossoms provide nectar for butterflies as well as bees, hummingbirds and bats.**

**The nectar is a great source of energy and calories, providing vitamins, salts, oils and other vital nutrients.**

**When choosing your plants, it's recommended that you choose native plants, attracting more butterflies and birds. Finally, consider getting your garden certified by the North American Butterfly Association.**

**More info at [www.NABA.org](http://www.NABA.org) .**

**For a complete plant list and additional information, visit [www.wvdnr.org](http://www.wvdnr.org).**

**Don't forget to share your Arbor Day service projects on Friday, April 11 on Facebook with the tag #29LCelebratesArborDay2025 so we can all share in our district's success!**

**Have fun celebrating Arbor Day!**

## **Election and Reporting of Club Officers**

Now that your club nominations meeting was held, or about to be held during this month, your club members will **vote on the new officers in April.**

**If your club cannot meet, how can you conduct annual election of club officers?** Unless prohibited under a clubs' constitution and by-laws, the Standard Club By-Laws permits all Lions Clubs to conduct meetings via alternative meeting formats. This allows each Lions Club to choose a method of conducting elections that is suitable for those members. This can be via phone, teleconferencing platform, email, or any other method that is acceptable to the Lions Clubs members. If the election is not contested, then it's not required that the club members actually vote. If the position is contested (more than one candidate), then a format mentioned above can be considered.

## MT. OLIVET LIONS CLUB

A group of Mt Olivet Lions recently presented U.S. Flags to the first graders at Our Lady of Peace School. We talked about the origin of our Flag, how to take care of it, how to fold it, and how to fly it properly. They also asked some good questions. We do this each year, and it's always a pleasure to see their faces when they get a flag to take home.

## WHEELING LIONS CLUB

A huge shoutout to the Wheeling Lions Club! Every year, they recognize the phenomenal school nurses of Ohio County Schools. These nurses don't just help take care of children, they truly care for them and are invested in their education.

Pictured attending the luncheon were (L-R) Board Of Education Member and Lion Andy Garber; Wheeling Park High School nurse Kylie Updegraff; Steenrod Elementary and Wheeling Middle Schools nurse Emily Kaniecki; Woodsdale and Bethlehem Elementary nurse Megan Gossett; Special Education Director Leah Stout; and Ohio County School Superintendent Dr. Kim Miller.

The club also recognized their annual Peace Poster Contest winner, Weston Lucas, from Wheeling Middle School!

Congratulations, all!

## MORGANTOWN AREA LIONS CLUB

A huge shoutout to the Morgantown Area Lions Club for having one of the best meetings since COVID! There was plenty of fun and camaraderie as we planned a Spaghetti Dinner fundraiser to support important community programs.

A special highlight of the night was our special visitor, Shay, a future Leader Dog in training. Thanks to our new member, Lion Marlo Moeller!

It's inspiring to see our club making an impact in so many ways. Keep up the amazing work, Lions!
