It is our privilege to support and serve the greater Houston-area community through the annual Golf for Greater HoustonSM event. Since its founding in 2008, countless volunteer hours have been dedicated to the planning and execution of this event. With the continued support of our valued sponsors, Fluor Cares has donated more than \$3,229,000 to local Houston-area charities an accomplishment we hope to build upon in 2023 with your support!

We are honored to announce the 2023 tournament beneficiaries: **APM Outreach Inc., B.I.G. Love Cancer Care Services, Casa de Esperanza de los Ninos, Inc., Fort Bend ISD Education Foundation, The Sanctuary Foster Care Services.**

Mission: In 2004, my daughter Brooke, was diagnosed with leukemia and passed away in my arms on September 29, 2006. Her love changed my life forever, and her illness gave me insight to recognize the strong need for basic support for the littlest and sickest in our communities. Although BIG Love was born out of much suffering, we believe we can ease the suffering for thousands of others through our own first-hand experience and innovative approaches to pediatric cancer care. Until a cure is found, the journey through cancer, especially one for a child, is incomprehensible. BIG Love strives to ease the childhood cancer journey by meeting the most basic and urgent physical, emotional and financial needs of oncology and hematology patients and their families throughout their entire cancer journey and beyond. Today, BIG Love serves hundreds of thousands of patients and their families across nine Texas Hospitals and five outpatient clinics, 52 weeks a year.
