## 2024 Golf for Greater Houston<sup>SM</sup> Charity Event & Trade Show

Sunday September 15 - Tuesday September 17, 2024

Fluor Cares® believes if communities thrive, so do the businesses and residents that work and live there. It is our privilege to support and serve the greater Houston-area community through the annual Golf for Greater Houston<sup>SM</sup> event. With the continued support of our valued sponsors, Fluor Cares has donated more than \$3,000,000 since 2008 to local Houston-area charities, an accomplishment we hope to build upon in 2024 with your support!

We are asking for your written response at the earliest to confirm your participation in the Golf for Greater Houston event as an event sponsor. This event depends on your continued support, and we sincerely thank you for your consideration.

Space is limited, so reserve your team today! For more information about Golf for Greater Houston and to register online, please visit us at [www.golfgreaterhouston.org](http://www.golfgreaterhouston.org).
