We had a great time at our quilting day. Sewing and talking - what better way to celebrate National Quilting Day and the first day of Spring?

PRESIDENT'S MESSAGE

AMAZING APRIL IS HERE!!

What a beautiful week! With a little rain, the grass looks greener. My tulips are up four inches, the spirea and lilac bushes are starting to leaf out. My brother's ranch is busy with baby calves. 'Tis the season of new life.

We had a great time at our quilting day. Sewing and talking - what better way to celebrate National Quilting Day and the first day of Spring?

Our April meeting should be in the newly renovated fellowship hall. If it's not finished yet, we'll send out a notice after 9AM the day of the meeting.

Our April guest, T. Carter will be speaking on "Outside the Box" It should be very interesting.

Hope to see you soon.

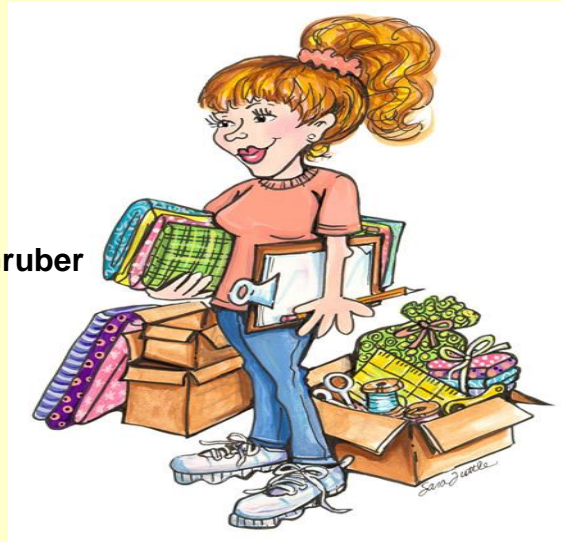

Kay Dahlquist

"Upcoming Classes

We have firmed up two quilt teachers coming to teach classes in the near future.

Karla Randall is a certified teacher for Laura Heine's collage wall hanging method. She will present her instruction Friday night , June 4, 2021 and all-day Saturday June 5, 2021. Details will be forthcoming. In the meantime, check out Laura Heine's web site for inspiration. <https://www.fiberworks-heine.com/shop/patterns/laura-heine.htm>.

Billie Hansen is a former shop owner in Minnesota who has an interesting class she teaches to guilds in the mid-West. Those of you who attend retreats at Okoboji may be familiar with her. Her program is called, 'Finishing School'. Billie will present numerous ways to finish a quilt other than mere binding. From prairie points to scallops, there are many ways to finish your quilt. Save the date, August 14, 2021 for her class. She also suggests that you bring an unfinished quilt to get her opinion for completion.

Luanna and I hope many of you will take advantage of the knowledge and talent of these two teachers. Times, prices, and materials you will need to provide will be explained soon.

Christine & Luanna ~ Co V.P.s"

"April's Program: We will welcome T. Carter, historian and quilter. Her lecture and trunk show will focus on her family's immigration from Dreispitz, Russia to our Minnesota prairies. She incorporates storytelling and the revelation of hidden history through her quilts. T has agreed to show us her award-winning quilt from our own Clay County Fair in 2017. 'Prince, Minnesota's Musical Legacy' earned the 1st place blue ribbon for mixed techniques and 'Best of the Blues' category and a lavender ribbon for outstanding work. We hope to see many of you at the April meeting. Christine Gengler & Luanna Gruber ~ Co-V.P.s"
