## President's Message

It is now **SPRING**, the happy renewal of life in the form of plants and baby animals.

Unfortunately we are faced with difficult days. Our lives will be forever changed. Uncertainty is our greatest challenge. People losing jobs have the added fear of how to pay bills. We fear for the safety of health care workers and others still on the job.

Looking at Facebook recently, people are coping in many ways: reading new books, trying out new recipes, skyping with relatives, finding educational sites for their children.

I've become a hermit in my basement: finishing Sunshine quilts, sewing masks, and working on some applique, while watching favorite movies.

The board has agreed that we will cancel the April guild meeting. We'll keep you informed of any new events.

My wish for you all is that you stay well.

Kay Dahlquist

Siouxland Quilt Guild members:

Hospitals and clinics are running out of masks, etc. If you can help, I'm sure it would be appreciated. I'm going to check with Sioux City hospitals first & then send to others who need. The website is: [www.buttoncounter.com](http://www.buttoncounter.com) Pictures and directions are clear. I'm trying my first tomorrow. You'll need 1-8" x 14", 2-1-3/4" x 6" pieces of fabric, and two pieces of 1/4" x 6-1/2" elastic. Sunrise Home could use some of our homemade masks. Perhaps others, too. Unity Point wants a certain type - go to their website for the pattern. Rumor has it' that several of our members have donated already so many thanks! Kay Dahlquist

The SSC school district was contacted by Unity Point regarding face masks. I have attached the pattern that the hospital wants us to use. We do not have to put the ties on these. If you already made some with the ties they will accept them. I have attached the link.
