December Birthdays

Fun quilting fact:

The earliest depiction of quilting was discovered in Egypt; it was an ivory figurine of a pharaoh wearing quilted clothing, ca. 3400 BC.

President's Message

IT'S DECEMBER ONCE AGAIN!!

What a glorious time...the decorations, the baking, family getting together, the music. It's a time of remembering traditions and Christmases past. "Tis the Reason for the Season" is heard often. May your own reasons bring you joy.

Our Carol Joy Holling retreat was a success. Many projects were completed. I hope the participants will bring something for show and tell.

If you care to, please bring hats, mittens or scarves to share with needy children. Remember to bring your pot holder for our exchange (wrapped).

Our new officers will be shadowing the out-going to bring them 'up-to-speed'. Dues for next year can be paid through February without a \$5 late fee.

This is my last message for my term of office. It has been a challenge, but a privilege to represent you as president. We have a great group of members.

Best Wishes for the Holidays.

Kay Dahlquist

December Meeting Program

There will be NO potluck this month. Instead, we will be serving tea, coffee, and Christmas cookies to top off your night. The meeting will begin at the normal time of 7:00 pm. We will also have the Christmas themed potholder exchange in much the same manner as last year's Mug Rug exchange. This is, of course, is not mandatory. But I know many of you are ready. Have fun and enjoy the treasure you'll take home to your kitchen. Merry Christmas and a very Happy New Year to you all.
