Note from Mary B.

Dear members,

Sorry for the sloppy newsletter.

I was hoping that I would be able to do this but much of the software has changed since I worked on newsletters before.

I will try and do better in the future. But for now you got the all the information (I hope) .

I am going to do more studying on this software. I enjoy being in the guild. I am happy to meet so many wonderful people.

Stop me and tell me who you are so I can put a face with the name.

Mary Bartram

Presidents Message

President's Message

Happy March!

Isn't it nice to have some warmer days after the frigid ones? The only bad thing is that the snow is melting on our hill and my broom

and I are battling the water on the patio. (Have to work on a drainage

ditch!)

According to the calendar, March 20 is the beginning of SPRING!!! It is also National Quilting Day. I hope you can join us at

the church for a day of sewing and socializing.

We WILL be meeting March 8 with the usual precautions. (Unless we

have a raging blizzard). I'm going to think

positively, and it's going to be a nice day.

If you have any new ideas, patterns or other, please bring them to share.

See you soon.

Kay Dahlquist

Bridges West Transition

The Center for Siouxland has created a new service. Bridges West Transition Housing is for families who have been in the shelter for as long as they can be. There need twin, toddler and crib beds. They need fitted sheets. (they have flats),

pillows, blankets, or quilts.

If you have anything for donation, please bring them to the meeting, or call a board member for pick up.

Since we did not have a meeting last month if you have any donations please bring to March

meeting.
