President's Message

Well! I did not get to see you all in December with your faces all holly jolly!

So let's try again! January....

What can you say about January? It used to be the month for January white sales, I think. Or was that Feb? I don't know. It's dark and it's cold and so I'm staying home and getting stuff done. I'm sure you are too. So we'll come to the meeting and Christine will feed us ice cream and it'll be Feb before you know it! Girls Nite Out is moving to Leeds as of January. The Sewed in Retreat is coming fast, and we have a Retreat coming up in May that I'll tell you about....

Till then....

Michele

January's meeting will be your opportunity to show off your **Dare Project** from June's "*Snip it - Rip it - Pass it Dare*". We'll have the show 'n tell then. Each of the fabrics from the game must be in the project somehow and they should be recognizable. You may add other fabrics from your stash to complete your creation. The final project size is unlimited. It may be as large or as small as you want. Please bring your creations on January 9th. As for me, I can't wait to see what you have all created.

The **Ice Cream Sundae Social** has also been moved to January. We will provide all the goodies; no need for you to bring anything except your craving for a treat.

Vicky and Lori are planning to present us with their plans for their first challenge project. Our hope is you'll all be pleased to participate. The more, the merrier. We receive no benefit from being grim. Enjoy! They are both excited for their tenure. We know they'll do well.

So...closing out our two years...thanks to those who had made positive personal comments to us. It's appreciated and we've had a blast!

Christine & Luanna
