President's Message

Happy March everyone!!

I know it's usually our snowiest month, but I'm hoping for spring really soon!

I got a seed & plant catalog the other day so I think I will pretend to be organized and order a plant or two that I will then lose to hungry bunnies. The flowers look great for a couple of weeks.

I am still working on my UFO projects. Finished one last week, have 2 more to finish before guild. And of course my UFO draw must be done by April!

I better get to it... I'm sure Vicky will hold us to our word!!

See you on the 13th!! And don't forget.. no girls nite out in March!

Michele

Happy March!

The number for the UFO challenge was Number 4. You will have until April to get that done.

Our March program, Karla Randall will do a trunk show from the new GE designs book. She will also give us pointers on how to pick fabric from our stash. There are still a few spots open to take a class from her April 15th.

Sorry this is short but I(Vicky) just got back from Rapid City.

Lori & Vicky.

Hello, My name is Brett Lyon and I am a Board Member for Women Aware here in Sioux City. Women Aware is a non-profit organization dedicated to transforming the emotional and economic future of women and men in transition through advocacy, education, information, and referral. Women Aware helps by removing the barriers that stand between individuals and their goals, both short-term and long-term. On March 24th, we are hosting our Women of Excellence Awards night at the Riverfront Marriott in South Sioux City. During this event, we celebrate the accomplishments of many local women and their impact on our community. Along with this event, we are hosting a silent auction. I was wondering if any of the quilters would be willing to donate a quilt for the silent auction. If you could pass this information along to the group that would be greatly appreciated! We'd appreciate any support. All the money raised during the event stays here in the community to help us provide services to those in need!

Thank you in advance!
