### President's Message

Happy April all!

It's the season of rain and flowers and bunnies and green! A time of new beginnings... including quilts.

Will you start a new quilt? Learn a new technique? Try something out side your comfort zone! Stir up your stash and make a masterpiece!!

I myself am trying to rotate backstock in my fabric closet and dealing with those "what was i thinking" fabrics. I also learned a new quilting term. PUFF! Project in uncut fabric form.

I will not disclose how many of those I have. Happy spring!

Don't forget your 5 x 10 pieces for the sweatshop, colors are as follows:

Jan - blue and grays

Feb - red and pink

Mar - green and yellow

April - purple and orange

May - white and black

June and July - color of your choice

## Request from Michelle

Hi all

Ok, it has been brought forward that a booklet about our guild would be nice for new members. I think this is a great idea.

What i am asking from you is a paragraph or 2 about something you specifically handle, like for example Alyce and sunshine quilts. Or if you are a general member, how about a bit about what you get out of or what you like best about the guild.

I will put this together in a booklet and hope to have one done by April.

Is this a can do for you???

## April Program and Upcoming Events

Donna Bremer of Holstein will present a trunk show and short demonstration of how to use all those little cut off triangles from sew 'n flip corners. "What to Do with All the Castaways" will provide us with hints and methods to sew these all together in some other cute project. Donna came highly recommended by her guild members in Cherokee. I'm sure she'll delight.

I'll have the hand-outs for Part C of the Mystery Patriotic Table Runner. But I have also included an attachment of it. Part D and the final layout illustration will be available at the May 9<sup>th</sup> meeting.

The Flower Pop class is quickly approaching. Jane Vereen will be on hand to provide the instruction on Saturday, April 9<sup>th</sup>. This is a learning experience and instruction in new and different techniques. Sew Kind of Wonderful rulers are designed to make the cutting of pieces conducive to easily sewing curved pieces together. You'll be amazed at how well the pieces fit together. All who have signed up have received a supply list from us. Class will start at 9:00 am. You may arrive after 8:30 am to set up. We're looking forward to it.

Our May 9<sup>th</sup> meeting will bring a guest from Mission SD, near the Rosebud Reservation. Vi Colombe specializes in traditional lone star quilts of the many Sioux people. She'll present a trunk show and give us some history of how the lone star became the traditional motif of the Sioux nations. Below is a YouTube link to a short video about the lone star tradition. Vi Colombe is interviewed at the very beginning. We've also invited a sewing group, from Winnebago NE, to be our guests for the meeting.

On June 25<sup>th</sup> we'll present a class for learning how to make your own Lone star quilt. Courtenay Hughes is the Sewing Room Manager for Missouri Star Quilt Company. She has a class on Craftsy called Luminous Lone Star and travels often to present classes. There are no special rulers or templates required. All you'll need is a 45-degree angle on your ruler, fabric choices, machine, and normal sewing tools. The class will be on Saturday, the 25<sup>th</sup> of June at Redeemer Lutheran Church. Save the date. We'll have more information as it's available. Hopefully, we can get lots of participation.

Here are a couple of links for your enlightenment. Copy and paste into your browser.

Have you heard of sew-ga? It's yoga for sewists! These fun stretches will help release the tension in your body and allow for a few more hours at the machine....

See you all on Monday, the 11<sup>th</sup> of April for "What to Do with All the Castaways". Have a blessed Easter this month.

## FOR SALE: Cutie Tabletop Frame \$600

The Cutie Tabletop Fabric Frame allows you to quilt, sew, and stitch to your heart's content in a much easier way, managing your fabric for you so you can enjoy the process more. This frame fits on top of a table or desk and is compatible with most sewing machines. Has had a mod done to move the handles to the top for a more comfortable operator position. Can be switched back to the original location in a couple minutes. I have quilted wall hangings to queen sized quilts on this frame.

April 1, 2022

Hi, I am Sandra from Just Sew in Wayne, NE. I have met many of you sometime during my time as a store owner. I have vended, taught and sold fabric for Just Sew for the past 42 years. I have enjoyed every minute spent doing what I love. Last summer Ron my husband of 54 years had a heart attack. He had one stint put in and is recuperating wonderfully. He is back to everything he did before the attack. Volunteer fireman, teaching for the Nebraska Fire Service, Drives an ambulance and does maintenance for our rental units. I have always called him my energizer bunny! Because we are not getting any younger and there is a lot traveling we would like to do in our RV, I have decided to close Just Sew. I will be selling all the inventory. Two floors of all kinds of knits, woven fabrics, fashion fabrics, notions, patterns, books, etc.... too much to list. I have chosen all of April and May for my closing sale, which is the two months for the Kansas/Nebraska Shop Hop 2022. Just Sew will be open 6 days a week 10 AM-5PM (later if needed).
