Be considerate, it feels so special to receive a gift from a quilting sister. It is O.K. to make other events or holidays special with a card or small gift. There is not a spending limit but \$15.00 is suggested to make it affordable for everyone. Remember that it is about helping others feel remembered and special, after all, some husbands and family members are not as supportive about this quilting addiction that many of us share. If you have any questions or problems, please give me call – Debby Carson at (712) 389-4988.
