PRESIDENT'S MESSAGE

IT'S SEPTEMBER!! COUNTDOWN TO QUILT SHOW!!

I can hear those needles blitzing to get projects finished!! (I do love exclamation marks!!)

My quilts are ready to go. No, I am NOT going to do just one more.

I have been pulling weeds and volunteer elm trees. Works a lot easier with wet ground.

I used some of my mint to try some jelly - not bad. Tomatoes are done, just not a good year for them.

I've recorded and made ID labels for 110 quilts by 23 members. Sept. 13 is the very last day to get your registrations in. It takes lots of hours to process them.

Now to some basics for getting your quilts ready for the show: PLEASE, PLEASE, take a lint roller or masking tape to DE-THREAD AND/OR DE-ANIMAL HAIR your quilt. (We'll go over them again, but a judge does notice this, and it will save us from having to buy so many rollers).

If you're planning to wash your quilt before the show - please give it lots of time to dry. (I still remember the purple that transferred to a white of someone else's-YIKES!).

Bring your quilts on Thursday, Sept. 23 - drive into the alley on the north side of the Courtyard by Marriott Hotel (4th and Virginia) - between 12 and 6 P.M.

If there is a problem with this, please send with a friend, or CALL ME: 252-0018. You will receive your claim checks so you can pick up your quilts on Sunday.

I hope you've volunteered for one of the committees. I know I need more help in the judging room, both morning and afternoon.

I hope everyone enjoys the last days of summer. Fall begins Sept. 22!!

VP NEWS

"Because of the upcoming SSQG Quilt Show, your VPs will not be presenting a program at the meeting. We decided to give our time to the show chairs. There will be plenty of time for all the last-minute questions and answers. Also, please work on the quilt show mini challenge. This is also our challenge to the membership.

I've included a link here to "Quilters Paradise". This is the link that many of you have heard Luanna talk about. Their online calculator allows for binding yardage requirements, border yardage requirements, and many more helpful calculations. Check it out. I know there are apps available on your phones that do similar calculations but give this link a try. It's simple and quick.

Newsletter News from the creator of newsletter

Well summer is almost gone. Hopefully we will all stay healthy long enough for the Quilt Show. Had a wonderful time at a wedding this weekend. I had made a signature quilt for it. The bride is letting me enter it in the show. I am not ready but I do my best work under pressure. RIGHT!!!

See you all at the meeting. May you machines keep working.....or you have the money for a new one.
