She spoke to us about her "Strip Club" and revealed many items available for purchase at her store. She also brought a few items for purchase tonight.

Amy gave information about her shop and also the history of quilting. She told how she became involved in quilting and the fact that she has two long-arm machines now that she uses at the store. She informed us a personal note that she and her husband "honey-mooned at Missouri Star Quilts" which we all found humorous.

The store has a Laser-Cutter in house. They custom make Rulers and Acrylic Templates from your own custom patterns.—can also Laser-cut Wooden Bread Boards and Plaques.

Her philosophy is "A PATTERN IS JUST A SUGGESTION"!
