

Tuition & Payment Options

Welcome to Bumblebee Montessori House.

Our 2026-2027 Academic Year begins on **August 17, 2026** and concludes on **June 12, 2027**.

At Bumblebee, we practice complete financial transparency. Our clear fee structure includes just one-time enrollment fee* and your chosen tuition fee, with no other unexpected costs.

- **The Enrollment fee of 400 USD:** This one-time fee guarantees your child's physical placement at Bumblebee. It covers administrative costs and all essential learning materials, which are fully included throughout the year.

*Enrollment fee is non-refundable.

Your child's place is confirmed once the Enrollment Form, Enrollment Fee, and first tuition payment have been received. As places are intentionally limited to maintain small class sizes, enrollment is offered on a first-confirmed basis.
