

WITH GOD, FOR COMMUNITY, WE ARE CityStrong

Dear Community Partner,

We are honored to invite you to partner with us for the sixth Annual Sandusky Unity Service, in partnership with the Sandusky Area Ministerial Association (SAMA), the Interdenominational Ministerial Alliance (IMA), and many supportive churches throughout our community. This year's Unity Service will take place on Sunday, June 28, 2026, at 10:00 AM at Jackson Street Pier, as churches from across the region gather to worship as one body with one voice.

This citywide service is open to all and serves as a beautiful expression of what can happen when the Church in Sandusky stands together. Over the past five years, this gathering has not only fostered unity and worship, but has also served our community in tangible ways— including outreach initiatives, community prayer, and support for local causes.

To make this event possible, we're asking for financial support from churches and community partners. Donations will help cover the general costs of the event—such as stage and venue rental, honorariums, promotional materials, and other logistical needs that ensure a meaningful and accessible experience for everyone who attends. **If you are able, please consider contributing by Monday, June 22, 2026. Every gift, large or small makes a difference and helps us continue building something beautiful together.**
