Hydrogen Sulfide (H₂S)

PPM	Odor	Irritancy	Nervous System Effects
0.0005 - 0.3	Detectable	None	None
1-5	Noticeable	Mild Irritation	None
10-20	Strong	Irritation	Headache
20-50	Very Strong	Eye Irritation	Fatigue/Nausea
50-100	Overpowering	Severe Irritation	Dizziness
100-150	Smell Lost	Severe	Balance Impairment
150-300	No Odor	Dangerous	Confusion
300-500	No Odor	Respiratory Injury	Collapse Risk
500-1000	No Odor	Immediate Damage	Unconsciousness
>1000	No Odor	Fatal	Death

***Reduces & removes reactive molecule from both
AIR + WATER phases inside sewer infrastructure.***

Eliminate odors + reactive gases & vapors.

Volatile Organic Compounds (VOCs)

PPM	Odor	Irritacy	Nervous System Effects
0.1-1	Mild	Sensitive	None
1-5	Noticeable	Irritation	Headache
5-20	Strong	Eye Irritation	Nausea
20-50	Strong	Moderate	Fatigue
50-100	Very Strong	Significant	Dizziness
100-500	Overpowering	Painful	Confusion
500-1000	Toxic	Severe	Collapse
>1000	Toxic	Immediate	Unconsciousness

BENEFITS:

FOG + H₂S, Co, VOCs...

Eliminate Odors.

Improves Line Flow.

Corrosion Control.

Safe, Simple & Easy to Handle.
