

FIXINSEWER™ SOLUTIONS
Designed for Wastewater Professionals.
Fast Results. Ruggedly Reliable.

GHS / OSHA HCS 29 CFR 1910.1200 FORMAT

SAFETY DATA SHEET

FOGMVR™

SDS 19220-01

Revised 04/06/2026

1 IDENTIFICATION

Product — FOGMVR™ Lift Station Treatment
Product code / SDS — 19220-01
Recommended use — Fats, oils and grease (FOG) remover
Manufacturer / emergency contact — Kationx™ Corporation; 321-914-0722

2 HAZARD IDENTIFICATION

HMIS / NFPA

HEALTH	1
FIRE	1
REACTIVITY	0
PPE	E

RESPIRATORY: Do not breathe dust.

FALL: Slippery when wet.

3 COMPOSITION / INFORMATION ON INGREDIENTS

COMPONENT	CAS #	EINECS	WT. %	CLASSIFICATION
Alumino-silicate blend	Proprietary	Proprietary	80–90	Not classified
Quartz — crystalline silica	14808-60-7	238-878-4	10–15	See toxicology
Titanium dioxide	13463-67-7	136-675-5	1–5	Carc. 2 — H351
Water	7732-18-5	215-185-5	1–3	Not classified

4 FIRST-AID MEASURES

EYES — Flush immediately with plenty of water for 15 minutes. If irritation persists, obtain medical attention.

INHALATION — Move to fresh air and place in a comfortable resting position. Use artificial respiration and obtain medical attention if required.

SKIN — Flush with plenty of water. If irritation develops, obtain medical attention.

INGESTION — Give water or milk. Never induce vomiting or give liquids to an unconscious person.

Symptoms: skin, eye, respiratory and gastrointestinal irritation.

5 FIREFIGHTING MEASURES

Non-flammable, non-combustible and non-explosive.

Specific and unusual hazards: N/A. No special firefighting methods required.

6 ACCIDENTAL RELEASE

Avoid breathing dust and eye contact. Wet surfaces may be slippery. Collect and dispose of material without special measures.

7 HANDLING & STORAGE

Commercial and industrial use only. Avoid eye and lung contact. Prevent dust accumulation in storage. Store in a dry area.

CRITICAL FIELD CONTROLS

Control airborne dust

Prevent inhalation

Protect eyes

Keep wet walking surfaces clear

SAFETY DATA SHEET

FOGMVR™

SDS 19220-01

Revised 04/06/2026

8 EXPOSURE CONTROLS / PERSONAL PROTECTION

ENGINEERING

Ventilate and filter enclosed rooms and spaces to remove dust.

RESPIRATORY

Wear a dust mask.

EYES

Wear side-shield safety glasses or chemically resistant goggles.

HANDS

No special requirements under normal use; gloves recommended.

HYGIENE

Follow good industrial hygiene and safety practices.

9 PHYSICAL & CHEMICAL PROPERTIES

PROPERTY	VALUE	PROPERTY	VALUE
State / appearance	Solid powder; dark gray–brown	Auto-ignition	N/A — does not ignite
Dilution pH	6–8	Odor / taste	Diatomaceous
Specific gravity	2.6 (water = 1)	Polymerization	None
Melting point / range	>1500°C	Corrosiveness	Non-corrosive in presence of glass
Molecular weight	258.2 g/mole	Vapor density	N/A
Density	8.45 lb/gal	Flash point	N/A
Boiling point	N/A	Solubility	Insoluble in water, solvents, alcohols
Decomposition	Crystal water / gases lost at 500–900°C	VOC / viscosity / partition coeff.	N/A

10 STABILITY & REACTIVITY

Stable; maintains neutral pH of 7. At high temperature, free quartz may form tridymite (>870°C) or cristobalite (>470°C), which present greater health hazards. Tridymite / cristobalite TWA-TLV: 0.025 mg/m³.

12 ECOLOGICAL INFORMATION

Biodegradation: the product itself is not toxic.

13 DISPOSAL CONSIDERATIONS

Dispose of residues and unused product according to all applicable federal, state and local laws and regulations.

11 TOXICOLOGICAL INFORMATION

Acute toxicity: N/A. Prolonged exposure may affect respiratory and gastrointestinal systems. Oral LD₅₀, rat: quartz 500 mg/kg; titanium dioxide >1,000 mg/kg; water >90 mL/kg. Alumino-silicate blend: ACGIH A4. Crystalline silica: ACGIH A2 / IARC Group 1. Titanium dioxide: ACGIH A4 / IARC Group 2B. Mutagenic effects: N/A.

14 TRANSPORTATION INFORMATION

The source SDS states that there are no restrictions regarding transportation of this product. Confirm current carrier, jurisdictional and site-specific requirements before shipment.

15 REGULATORY INFORMATION

UNITED STATES

SARA TITLE III §302

Does not contain extremely hazardous material subject to reporting.

SARA §311 / §312

Immediate: Yes • Delayed: Yes • Fire: No • Pressure: No • Reactivity: No

SARA §313

Does not contain toxic chemicals subject to Section 313 and 40 CFR Part 372.

TSCA

Listed in initial inventory, Vol. 1, Appendix A.

CERCLA

Not a listed hazardous substance.

CALIFORNIA PROPOSITION 65

WARNING: May contain extremely small amounts of naturally occurring materials known to the State of California to cause cancer, birth defects or reproductive harm.

PENNSYLVANIA

Regulated under PA Code Chapter 323.

GLOBAL / INVENTORY STATUS
