About Kationx™

History

Since 2018, Kationx products have consistently proven their **GREEN, BEST-VALUE** proposition. Our customers have (1) achieved compliance, (2) reduced or eliminated fines, and (3) “found money” inside their budgets by reducing both direct & indirect costs. Infrastructure lives longer while our customers work smarter, not harder. We reduce CAPEX across the board by delivering simplicity, safety, and good quality influent & effluent. Kationx Corp is a Veteran owned & operated Small Business (CAGE 84p00).

Product Design Concept

- ✓ **Green, Non-toxic**, solutions
- ✓ **Safety & Simplicity** are paramount
- ✓ **Non-reactive Chemistries**. No new molecules.
- ✓ **Minimal Environmental Impact**
- ✓ **Made in USA** using a **US-ONLY** Supply Chain.

What we Know

- ✓ Kationx Products are **Ruggedly Reliable. Perform on Demand.**
- ✓ Consistently deliver **Immediately Observable Results.**
- ✓ **Best Value** saving money, time, & other direct + indirect costs.
- ✓ **Simple & Easy to Use.** Intuitive & Safe.
- ✓ **Use enough** to get the results you want. Don't use too little.
- ✓ **Routine Use = Persistent Presence.** Initial problems recede.
- ✓ Over time, **Customers use less product** to maintain same results.
- ✓ **Durable. Long shelf lives.** Store Powders outdoors or on the truck.

GasKat™

Bathroom, Latrine, & Toilet Odor Remover.

Removes foul, noxious odors from Toilets, Latrines, RV & Boat Heads, Port-A Johns, Public-Use Bathrooms, Field Trenches, Outhouses, Mobile Homes, Barracks, & other high-use bathroom facilities. Regular, routine use will eliminate prevailing stink. Physically scavenges (removes) offending odor molecules. No fragrance. No synthetics. Non-toxic. Skin & Eye Safe!

Instructions:

For toilets, (1) shake the bottle to loosen powder. Then (2) hold about 4" over the opening or water surface. (3) Puff twice onto the water and (4) flush.

For latrines, 4-5 puffs into each opening or continue puffs until odor disappears. Repeat every 2-3 hours during latrine use.

- ✓ REMOVES odors.
- ✓ **Not a fragrance** (these just mask & add breathed chemicals!). NOTE: Other odor removers are **mostly water**.
- ✓ Works in both AIR + WATER phases inside the bowel, drains, & holding tanks.
- ✓ Also **Cleans Lines & Pipes**. Routine Use cleans entire system.
- ✓ **100% Active Ingredients**. No fillers or diluents!
- ✓ Designed for our Military by U.S. Military Veterans.

WYPKLN-PRO

Non-toxic hand degreaser. Designed for professionals!

New Product Launch – Spring '26

- ✓ Designed for mechanics working in austere environments, downrange, in-field, on-site.
- ✓ Can be used without water; no sink needed.
- ✓ Non-toxic formulation. Inert. Not a HAZMAT.
- ✓ **All-natural formulation.** NO synthetics.
- ✓ Safe, Simple, & Easy to Use.
- ✓ **100% active Ingredients**, No diluents or fillers.

WYPKLN-PRO cuts through and removes grease, grime, oils, and tough industrial soils while remaining gentle on skin. Ideal for repeated daily use in tactical, remote, industrial, automotive, marine, wastewater, & other commercial MRO settings. **Just apply paste to hands; then rub** until grease, oil, and crud flakes off. No after-smell or fragrance. Reduces petroleum smells on hands.

Key Benefits include:

- ✓ Removes grease, grime, oils, and heavy soils. Can use without a water rinse.
- ✓ Safe for skin. Non-irritating.
- ✓ Environmentally friendly and biodegradable.
- ✓ Trusted Kationx™ quality for profession use.
- ✓ Designed by Veterans for Veterans & Military Maintainers
