FLEURIEU GIN BAR

We have a separate outside bar with a full range of Fleurieu Gin products which can be made available to your guest at a certain time or for the night. This can be to a dollar amount agreed by you (amount paid in advance) or your guest can purchase themselves.

We understand not all packages will suit everyone and we are more than happy to discuss options to suit your needs such as adding spirit selections, drinks on consumption or a cocktail bar.
