Redefining Construction Safety and Efficiency with I-FORM Aluminium Formwork Solutions

In the Ever-Evolving Construction Industry, Safety, Speed and Structural Precision are Non-Negotiable. At I-FORM Aluminium & Design LLP, We Take Pride in Delivering Advanced Aluminium Formwork Solutions that Empower Modern Builders to Achieve More — Safely, Efficiently and at Greater Speed.

SRIHARI NAIDU

Chief Executive Officer

A Visionary Construction Leader with 30+ Years of Experience Across India and the Middle East. He Has Led Landmark High-Rise and Township Projects for Indian Leading Developers — Regional Operations Head at Godrej Properties (Mumbai), Vice President—Operations at Prestige Group, Senior V.P at Runwal Gardens (115 Acres Township), Deputy V.P at Lodha Palava City (84 Acres Township), and Head of Dubai & Mumbai Operations at Eversendai Constructions. He Now Drives I-FORM's Growth with a Focus on Technology, Precision & Operational Excellence.

Engineered For Strength and Simplicity:

Our Formwork Systems Are Designed with 6061-T6 Grade Aluminium for Exceptional Strength-To-Weight Ratio, Ensuring Ease of Assembly and Unmatched Durability. Each Component Is Engineered to Provide Maximum Stability While Reducing Erection and Dismantling Timelines — Enabling Faster Project Execution in line with Integrated Safety & Quality.

Precision That Builds Confidence:

From High-Rise Residential Towers to Any Complex Infrastructure Projects, The I-FORM Aluminium Formwork System Provides Modular Flexibility to Suit Every Site Condition. Our Automated Design Software and Precision-Manufactured Panels, Produced Using an Advanced Automated Machinery, Interlock Seamlessly to

Ensure Perfect Alignment and Consistent Performance. Advanced Friction Stir Welding (FSW) & Robotic Welding Techniques Deliver High Strength & Durability.

MALLEESH VANGA

Founder & Chairman

A Pioneer in Aluminium Formwork With 25+ Years of Experience Across Malaysia, Korea, And India. He Introduced the Formwork Technology to India and Leads I-FORM's Product Development, Design & Operations with a Focus on Design, Product Innovation and Quality.

VENKATESH KANDIKATTI

Founder & Managing Director

An IIT Kharagpur And IIM Lucknow Alumnus with Strong Expertise in Project Planning and Execution. He Has Led Major Projects Like Lodha Palava & Runwal Gardens as PMO Lead, Handled Operations at HPCL Fortune 500 firm. He Now Drives I-FORM's Business Growth, Business Development and CRM.

Safety Beyond Standards:

At I-FORM, Safety Isn't a Feature — It's Our Foundation. Our Aluminium Formwork Panels are Rigorously Tested for Load-Bearing Capacity and Chemical Composition at Our In-House QA/QC Lab. Ergonomically Designed Connections Developed During Product Development Stage Ensures Not Only Quality but also the Highest Level of Integrated Workplace Safety.

Sustainable And Cost-Efficient:

Made From Virgin Aluminium by Use of Advanced FSW, Our Solutions Promote Sustainability While Delivering Long-Term Cost Advantages. The Lightweight Design Reduces Transport and Labour Costs, While the Corrosion-Resistant Finish Ensures Performance Even in Challenging Site Environments.

Partnering In Progress:

With Years of Expertise in Aluminium Formwork Technology, I-FORM Continues to Support Builders, Developers, And Contractors with Complete On-Site Solutions — From Design Consultation to Installation Guidance and After-Sales Service. Our Mission Is Simple: To Make Construction Smarter, Safer and Faster.

I-FORM

ALUMINIUM & DESIGN LLP

When Precision Shapes Possibility, Construction Transforms.
