Sumit Gandhi

CHAIRMAN & MANAGING DIRECTOR, ABEC

it's a testament to the power of our community and its unwavering commitment to excellence and sustainability. As we look back on nearly two decades of remarkable achievements, we are reminded of the strength, resilience, and forward-thinking spirit that define the architectural world.

At ACETECH, we aim not just to showcase advancements but to create a vibrant space where ideas flourish and pioneering minds connect. Each year, we strive to push boundaries, championing solutions that address the environmental challenges of our time. This event has become a platform for architects, designers, and industry leaders who are shaping the future of our built environment, grounded in sustainability and innovation.

Looking ahead, we remain dedicated to inspiring and empowering those who seek to make a lasting impact. We are excited to welcome the brightest minds and most ambitious projects, ready to redefine what's possible. Together, we build a foundation for a future that is both innovative and responsible—a vision we proudly share with our entire community.

Over the past 19 years, ACETECH has evolved into a cornerstone of architectural innovation, bringing together visionaries and thought leaders from across the industry. This milestone anniversary is more than a celebration of our growth;

Lingel: Redefining Fenestration with German Engineering and Indian Excellence

Founded in 1959 by Karl Lingel in Ellwangen, Germany, Lingel Windows has become a trusted global name in the fenestration industry. With over 65 years of expertise, the company continues to set high standards in quality, performance, and innovation. Its advanced 125,000 sq. ft. facility produces around 10,000 units per month, delivering complete end-to-end solutions for windows and doors.

Lingel's diverse portfolio includes uPVC, aluminum, and oak wood systems, along with glass conservatories, skylights, Venetian blinds, roller shutters, window sills, LPG, and LSB systems. The brand is also known for its ability to execute technically challenging and customized window solutions.

Recognized for excellence in product design, manufacturing, and customer service, Lingel has received numerous industry awards. Since entering India in 2006, it has established Experience Centres across major cities. Guided by its commitment to "ON TIME EVERY TIME," Lingel ensures reliability and customer satisfaction from production to installation.
